Mandate proposal details		
1	Hapū	a) What are the names of the hapū within your proposed grouping? b) How many people belong to each hapū within your proposed grouping? c) What is your common whakapapa?
2	Rohe / Area of Interest	a) What is the rohe / area of interest covered by your proposal? (Please include either a written description or attach a map.)
3	Key sites	a) What are the key sites in your rohe / area of interest that you would seek redress over if your proposal is successful?
4	Historical claims	a) What are your proposed group's main types of historical claims? What do they relate to (e.g. pre-1865 land purchases, raupatu, post-1865 purchases under Native land laws)?
5	Proposal development	a) What process have you undertaken to develop your proposal (e.g. hui / working groups / wānanga)? b) Have all of the hapū within your proposed grouping indicated their support for your proposal? If yes, please provide details of how you tested support. If no, how do you plan to build this support?
6	Proposed grouping's structure	a) Briefly describe your proposed grouping's representative structure particularly the relationship between hapū / marae. b) Does a legal entity exist that represents your proposed grouping? If not, do you plan to establish one?
7	Accountability	a) How will you keep hapū within your proposed grouping informed and how will they have input?
8	Other proposals	a) Are you aware of any other proposed groupings that cover the same or similar rohe / area of interest as your proposal? If yes, have you discussed your proposal with them?
9	Overlapping interests	a) Please identify neighbouring groups with interests that overlap with the rohe / area of interest covered by your proposal. b) Have you discussed your proposal with these overlapping groups?
