1.1 OVERLAY CLASSIFICATION CREATED FOR WHAREPŪHUNGA

Clause 5.1
1. DESCRIPTION OF AREA

1.1 Wharepūhunga (as shown on deed plan OTS-113-16);

2. PREAMBLE

2.1 Pursuant to section [ ] of the [Settlement Legislation] (clause 5.1 of the deed), the Crown acknowledges the statement by Raukawa of their cultural, spiritual, historic and/or traditional values relating to Wharepūhunga, as set out below.

3. RAUKAWA VALUES

3.1 Wharepūhunga is a sacred maunga for a number of Raukawa hapū located to the west of the Waikato River opposite the Matanuku block. The name Wharepūhunga is used to denote the sacred maunga as well as the land block within which it lies. The name Wharepūhunga is also used today to identify one of the pou whenua of Raukawa.

3.2 Wharepūhunga was named by Rakataura, the tohunga of the Tainui waka and ancestor of Raukawa. Following his arrival in Aotearoa, Rakataura and his wife Kahukeke, daughter of Hoturoa, travelled inland naming places that they came upon. At Wharepūhunga, Kahukeke fell ill and consequently Rakataura built a house for his wife to recover. Pūhunga means, 'to place on one side or lay up'; hence the name Te-Wharepūhunga-o-Kahu was given to this site.

3.3 Centuries later during the time of Tāwhao, in order to quell the growing tensions between his sons Whathua and Tūrongo, Tāwhao divided his lands and gifted Wharepūhunga (referring to the rohe but included the maunga found within it) to his son Tūrongo. Tūrongo settled at Rangiātea with his wife and children, including Raukawa.

3.4 Raukawa was raised and lived in the lands of his father, including Wharepūhunga. The children of Raukawa were also raised at Wharepūhunga and other places. His son, Takihiku established his pā, Tuataikawa, in the Wharepūhunga rohe.

3.5 On the northern slopes of the maunga, Wharepūhunga, between the Waipari River and Mangakomua Stream is Tututawa, an ancient pā with an extensive urupā. Tututawa and nearby settlements were populated by a number of Raukawa hapū including Ngāti Takihiku, Ngāti Ngaamo, Ngāti Kiri and Ngāti Hineone.

3.6 Raukawa maintained ongoing occupation at Wharepūhunga from the fifteenth century through to the present day. During the nineteenth century, it was used as a refuge by Raukawa hapū during times of war, particularly at the time of the retreat from Orakau in 1864.

4. PROTECTION PRINCIPLES

4.1 The following Protection Principles are directed at the Minister of Conservation avoiding harm to, or the diminishing of, Raukawa values related to Wharepūhunga:

1.2 Overlay classification created for Pureora o Kahu

Clause 5.1
RAUKAWA DEED OF SETTLEMENT
DOCUMENTS SCHEDULE

1.2: OVERLAY CLASSIFICATION CREATED FOR PUREORA O KAHU

1. DESCRIPTION OF AREA

1.1 Pureora o Kahueke (as shown on deed plan OTS-113-15);

2. PREAMBLE

2.1 Pursuant to section [] of the [Settlement Legislation] (clause 5.1 of the deed), the Crown acknowledges the statement by Raukawa of their cultural, spiritual, historic and/or traditional values relating to Pureora o Kahu, as set out below.

3. RAUKAWA VALUES

3.1 The maunga, Pureora o Kahukeke (commonly referred to as Pureora o Kahu), is an iconic site of significance for Raukawa and includes many areas and sites that are highly revered by Raukawa. The distinctive pyramidal shape covered in forests, complements its neighbouring mountain, Titiraupenga.

3.2 According to Raukawa traditions, Pureora o Kahu was named by Rakatäura, the tohunga of the Tainui waka and ancestor of Raukawa. Following his arrival in Aotearoa, Rakatäura and his wife Kahukeke, the daughter of Hoturoa, travelled into the central North Island naming places that they came upon. It was at Wharepūhunga, that Kahukeke fell ill and consequently Rakatäura built a house for her to rest in. Rakatäura climbed a mountain where he performed a purification ritual in order to heal his wife. He was successful and his wife recovered at Wharepūhunga. He named the mountain that he performed the purification ritual on Te Pureora-o-Kahukeke, in recognition of that event.

3.3 Raukawa traditions state that Rakatäura also deposited at Pureora o Kahu one of the 'mauri stones' brought from Hawaiki to Aotearoa. This stone was a talisman used to attract birds into an area. From that day forward, Pureora o Kahu became one of several famed bird snaring areas used by Raukawa hapū to hunt kīrweru, tui and other native birds.

3.4 Pureora o Kahu was therefore a valuable source of birds for Raukawa hapū, at a place called Te Waipohatu, which is on the western side of the maunga, was a waitahere manu (bird snaring apparatus), also called Te Waipohatu. On the southern side of the maunga stood the bird snaring tree, Te Tarapa that was used by Raukawa hapu and others living in the area.

3.5 Pureora o Kahu also contains numerous waterways and mahinga kai of significance to Raukawa. Waterways such as Kākāhō, Pūrākaukerea and the Puketapu streams were sources of food for Raukawa that supplied tuna (eels), koura (freshwater crayfish) and kokopū (freshwater fish) as well as their daily water supply. Some of these waterways were also used as healing waters; one in particular was the Kākāhō stream.

3.6 Hapū associated with Pureora o Kahu include Ngāti Te Kohera, Ngāti Wairangi, and Ngāti Hä among others.

4. PROTECTION PRINCIPLES

4.1 The following Protection Principles are directed at the Minister of Conservation avoiding harm to, or the diminishing of, Raukawa' values related to Pureora o Kahu;
1.2: OVERLAY CLASSIFICATION CREATED FOR PUREORA O KAHU

2. STATEMENTS OF ASSOCIATION
The Raukawa statements of association are set out below. These are statements of the particular cultural, spiritual, historical and traditional association of Raukawa with identified areas.
2.1 STATEMENT OF ASSOCIATION FOR TE KOHERA - KAWAKAWA BAY

Clause 5.3
Raukawa have a long association to Te Kohera - Kawakawa Bay and the surrounding area stemming back to the time when the grandchildren of Raukawa drew resources from the bay. In capturing the lands, Raukawa fought five key battles. These battles were in retaliation to offences against Raukawa committed by other iwi. It was as a result of the death of Te Atainutai and a subsequent battle between Raukawa and a neighbouring iwi, that Raukawa ancestors continued to occupy the lands at Kawakawa.

The Raukawa ancestor, Te Kohera, resided at Kawakawa. The son of Te Kohera, Pakaketaiari, also lived at Kawakawa. The eldest child of Pakaketaiari was Te Rangipumamao who lived at Kawakawa and as an adult was tragically killed by a falling tree there. The fourth child of Pakaketaiari, Ngamotu also lived at Kawakawa and his subsequent descendants continued to occupy Kawakawa and other pā including Tutakamoana, Te Korae, Poutangotango and other places. Today, the whare tūpuna at Mokai Marae is named Pakaketaiari and Ngāti Te Kohera is a well known hapū of the northern Taupō region.

The Raukawa chief, Hitiri Te Paerata, a descendant of Ngamotu, was also born in a cave at Kawakawa.
2.2 STATEMENT OF ASSOCIATION FOR TITIRAUPENGA

Clause 5.3
The maunga, Titiraupenga, is an iconic part of the Raukawa landscape. Its uniquely distinctive shape dominates the surrounding scenery.

Titiraupenga was a famed bird mountain with large stocks of kererū, kākā and other native birds. During the early nineteenth century, the renowned leader, Te Momo of Ngāti Te Kohera, conducted bird snaring rituals at Titiraupenga and according to tradition, a whare wānanga was also established at Titiraupenga. In a pātere composed by Ngawaero, she tells the story of the rich and abundant birdlife of Titiraupenga and makes reference to Te Momo erecting the pou known as Papa o Te Raro a talisman he used to attract the birdlife.

There were many Raukawa kainga at Titiraupenga including Te Kakaho and Arataki and kokowai caves above Waione.

Ngāti Hā, a hapū of Raukawa (also sometimes referred to under the collective name, Te Tini a Parekāwa in the Native Land Courts), populated the area around Titiraupenga together with other Raukawa hapū, namely Ngāti Moekino, Ngāti Whāita and Ngāti Wairangi-Parewhete.

To the side of Titiraupenga was the large Raukawa settlement of Kaiwhā. For many Raukawa hapū today, Titiraupenga is recognised as their ancestral mountain and is visible from Raukawa marae.
2.3 STATEMENT OF ASSOCIATION FOR ARAHIWI SCENIC RESERVE

Clause 5.3
Raukawa have a long association with the Pātete region and the resources within the Arahiwi Scenic Reserve.

The region became known as Te Kaokaoroa-o-Pātete, literally meaning the long outstretched armpit of Pātete. Pātete was a fifth generation descendant of Raukawa.

The descendants of Raukawa continued to live in the Pātete region. The Arahiwi Scenic Reserve is within the rohe of the hapū of Ngāti Ahuru, a Raukawa hapū, who built a pā nearby including the ancient pā at Hamaria and Takahua.

The Arahiwi Scenic Reserve has been used by the people of the Raukawa marae at Ngātira and Whakaaratamaiti.
2.5 STATEMENT OF ASSOCIATION FOR ARAPUNI SCENIC RESERVE

Clause 5.3
The Arapuni Scenic Reserve lies within an important bird snaring area for Raukawa. Located on the banks of the Waikato River, the area also enabled easy access to the Waikato Awa and provided for the physical and spiritual sustenance of the Raukawa people.

The Raukawa ancestor, Tehe, a fourth generation descendant of Wairangi, built his pā at Te Tuki and settled the area. South of Te Tuki was the ancient pā, Kotaramu that was populated by the descendants of Takihiku who travelled to Te Tuki to snare birds.
2.6 STATEMENT OF ASSOCIATION FOR PART OF KAIMEI-MAMAKU
CONSERVATION PARK

Clause 5.3
The area known as the Kaimai-Mamaku Ranges (which falls within the conservation park of the same name) played a significant role in the establishment of the iwi of Raukawa. The Kaimai-Mamaku Ranges covers a large tract of land stretching from the Hauraki Golf in the north to the Mamaku Ranges in the south. The Raukawa association with the Kaimai-Mamaku Ranges extends from Te Wairere in the north through to the Mamaku forests in the south.

Raukawa have had an association to the Kaimai-Mamaku Ranges from the time of Tūrongo and Māhina-a-rangi through to the present day. When Māhina-a-rangi was with child, Tūrongo desired for his child to be born in his lands. Consequently, he returned to Rangiātea to prepare a home for his new bride and child. Māhina-a-rangi was to later follow. Whilst heavy with child, Māhina-a-rangi and her entourage journeyed from the east coast to be with Tūrongo. Raukawa tradition notes that her journey took her by way of Wairoa, Huírau, Ruatahuna, Te Whaïtai, Waitapu and Rotorua, then onwards to the Kaimai Ranges where she gave birth to her child. The boy was named Raukawa in commemoration of the perfume she wore to attract her husband, Tūrongo. The birthplace of Raukawa is found in the modern-day Kaimai-Mamaku Conservation Park and is known as Whenua ā-kura.

Ngāti Āhurū, a hapū of Raukawa, credits the naming of the Kaimai Range to the ancestors, Āhurū and his brother. As grown men, the two brothers came by way of Mount Kakaramea to Rotorua and then on to the Kaimai Ranges. Here the two men were hungry so Āhurū gathered berries. Upon his return to his brother, he stretched forth his hands and offered the food to him saying 'Kaimai' which translates as 'Let us eat'.

Throughout the generations, hapū of Raukawa have occupied and moved ali around the area. There were pā and settlement sites such as Weraroa, Kaitorenui, Kuranui and Te Rake, as well as urupa (burial site) at Hengaroa, Kotare and Ngamotu and many other sites throughout the ranges. Bird snaring places such as Nga-Manu-a-Tamarau and Kakahuiti are also located within the ranges and considered to be sites of significance to the hapū of Ngāti Mōtai. Further, the Mangatotara and Āhurū streams supplied pātuna (eels) as well as the water supply for the local whānau and hapū.

in the Wairere area, a significant battle was fought between Raukawa and another iwi in the 1830s resulting in the death of a daughter of a leader of the other iwi. Following this fight and a subsequent battle, peace was arranged between the iwi with a boundary being established at Te Wairere with the agreement of both iwi

During times of war the Kaimai-Mamaku Ranges provided a safe haven for Raukawa. Many Raukawa pā sites were established as hideouts in the Kaimai Ranges.

Raukawa hapū also maintained a strong association with the Mamaku Forest Plateau. Within the Mamaku Plateau stands the maunga, Hautere which was named after the Raukawa ancestress born five generations after Raukawa. Hautere is the ancestral mountain of the Ngāti Āhurū and is well remembered in Raukawa oral tradition. According to Raukawa kaumātua, Hautere maunga provided the people with an abundance of food and in times of war, was used to trap unsuspecting enemy in deep pits found scattered around the maunga.

Pātetere was a brother of Hautere and is the ancestor that the area Te Kaokaoroa-o-Pātetere was named after. The tūpuna Pātetere and Hautere are well remembered today in song, pepehā and are depicted in the carvings that adorn the meeting house at Ngātira marae.
At the foot of the Paepae Whakarei Hills is the source of the Waihou River that wends its way out to the Hauraki Gulf. The Waihou River is an important feature to many Raukawa hapū who relied upon the clear fresh waters. The source is called 'Te Matapuna o Waihou' and is found near the settlement of Hamaria. In Raukawa traditions, King Tawhiao would often visit the settlement at Hamaria. Raukawa kaumatua today still recall hunting for pig as they made their way through Hamaria, Puke Manuka, Takahua and Mangatapu.

The Mamaku plateau is unique in terms of its geological history and formation and thus it has provided the hapū of Raukawa with a unique and very special garden and food basket. The waterways were a highway for hapū of Raukawa as trading routes with other iwi for a long period of time. Along the banks of the waterways were strategically placed defendable pā sites such as Takahua, Tikitiki, Kakahuiti and Hiwiroa.

The healing waters of the Opuiake, Kahatahi and Oraka are also sites of significance to Raukawa. In terms of the geological history of the plateau, the underground water supply is in its purest of form, Rhyolite (proven to be over 1000 years old at Te Waihou spring), and feeds the ground waterways such as the Pokaiwhenua, Whakauru, Matarawa, Oraka, Waimakariri and Mangatapu rivers.

Today, the Kaimai-Mamaku Ranges have deep associations for a number of Raukawa hapū including Ngāti Mōtai, Ngāti Āhuru, Ngāti Mahana, Ngāti Te Apunga, Ngāti Tukorehe, Ngāti Kirihika and Ngāti Wehiwehi. There are five Raukawa affiliated marae that continue to maintain a presence in the Kaimai-Mamaku Ranges - Ūkaipō, Rengarenga, Te Omeka, Tangata and Ngatira. Many traditional tracks throughout the ranges continued to be used by descendants of Raukawa today and the conservation park is still a rich source of plants for food and medicine.

Te Kohera - Kawakawa Bay. Raukawa have a long association to Kawakawa Bay stemming back to the time of the grandchildren of Raukawa. Te Kohera resided at Kawakawa. The son of Te Kohera, Pakaketaiari, also lived at Kawakawa. Pakaketaiari's eldest child was Te Rangipumamao who lived at Kawakawa and as an adult was tragically killed by a falling tree there. Pakaketaiari's fourth child, Ngamotu, and his descendants, also lived at Kawakawa and other pā.

The Raukawa chief, Hitiri Te Paerata, a descendant of Ngamotu, was also born in a cave at Kawakawa.
2.7 STATEMENT OF ASSOCIATION FOR PART OF PUREORA CONSERVATION PARK

Clause 5.3
The Pureora Conservation Park covers a considerable area within the south-western portion of the Raukawa rohe and includes many areas and sites that are highly revered by Raukawa. The Pureora Conservation Park stretches across parts of a number of land blocks. These blocks include Maraeroa, Tihoi, Pouakani, Wharepuhunga and Rangitoto.

The maunga, Pureora, is in itself an iconic site of significance for Raukawa. Its distinctive pyramidal shape is covered in forests. In Raukawa tradition, Pureora was named by Rakataura, the tohunga of the Tainui waka and ancestor of Raukawa. Following his arrival in Aotearoa, Rakatāura and his wife Kahukeke, the daughter of Hoturoa, travelled into the central North Island naming places that they came upon. It was at Wharepūhunga, Kahukeke fell ill and consequently Rakatāura built a house for her to rest. Rakatāura climbed a mountain where he performed a purification ritual in order to heal his wife. He was successful and his wife recovered at Wharepūhunga. He named the mountain that he prayed on Te Pureora-o-Kahu, in recognition of that event. Te Whakakakaho o Kahukeke was also named by Rakatāura as the collection site of sticks that were used to build the whare (hut/house) that Kahukeke laid in while she was recuperating from her illness. Unfortunately, Kahukeke did not fully recover from her illness and her journey was short lived. Stricken by the death of his beloved wife, Rakatāura named the place in memorial of her death, Puke o Kahu.

Raukawa traditions state that Rakatāura also deposited at Pureora one of the 'mauri stones' brought from Hawaiki to Aotearoa. This stone was a talisman used to attract birds into an area. From that day forward, Pureora became one of several famed bird snaring areas used by Raukawa hapū to hunt Kēreru and other native birds.

Pureora was a valuable source of food for Raukawa hapū, particularly the wide variety of birds and other plant life including 'perei', similar to kumara but tubular in appearance. According to Raukawa tradition, a great feast was held in commemoration of the marriage between Te Rangipumaomao and a woman from a neighbouring iwi. The food for this wedding was gathered from Pureora and Kaiperei.

Pureora also contains numerous waterways and mahinga kai of significance to Raukawa. The waterways of Huruhurumāku were so named due to the tupuna, Hā dropping his taiaha in the waters and the feathers that adorned the taiaha getting wet. Other waterways such as Kākāhō, Pūrakaukerea and the Puketapu streams were sources for Raukawa of food such as tuna (eels) and koura (freshwater crayfish) as well as the daily water supply. The waterways were also used for healing.

Pureora is also renowned for having an abundant supply of poaka (pigs). According to some kaumātua, this area was vastly hunted to supply meat to many of the pa in the Te Pae-o-Raukawa rohe (area). Large mahingā kai (gardens) were grown around the pa to help supply food for the people and their manuwhiri (visitors), especially when the occasion was for a tangihanga (funeral).

Many hapū were associated with the Pureora area including Ngāti Te Kohera, Ngāti Wairangi and Ngāti Hā. There are also many sites associated with specific hapū of Raukawa within the Pureora area. According to oral traditions of Ngāti Te Kohera, it was at the settlement and defensive pa of Tutakamoana that the chief, Te Hoariri, was renamed Te Paerata due to his gallant achievements in battle. Te Paerata was to later lead the successful defence of Tutakamoana against marauding forces.
The conservation park also falls within part of the Tīhoi block. In that area, Raukawa history records that following the murder of Te Atainutai, his grandson sought revenge. Consequently, he joined with Whitapatoto of Raukawa from Wharepuhunga and together they marched on the iwi that had killed Te Atainuitai. As a result of his offensive march through the Pureora forest, Whitapatoto named the area now known as Tīhoi.

By the time Christianity came into the Pureora region in the nineteenth century, Raukawa hapū continued to reside upon lands around Pureora including Puketoro, a kāinga and bird snaring place, Putakoura, a kāinga and potato plantation and Puketapu where food was stored in a cave. Te Ahiahi-a-te-maraeua, a lagoon and kainga situated near Pureora, was a further bird snaring place used by Raukawa.
2.8 STATEMENT OF ASSOCIATION FOR KAAHU SCENIC RESERVE

Clause 5.3
Raukawa have a long association to the area of the Kaahu Scenic Reserve dating back to the arrival of the Tainui waka. Following his arrival in Aotearoa, Rakatāura, tohunga of the Tainui waka and ancestor of Raukawa, and his wife Kahukeke travelled inland from Kawhia into the central North Island naming places that they came upon. When they arrived in Whakamaru, Rakatāura and Kahukeke settled in the area and built an ancient shelter at Kaahu mountain. Rakatāura named the mountain, Kaahu, in commemoration of his wife.

Raukawa hapū continued to occupy the area including Ngāti Whāita, Ngāti Wairangi, Ngāti Upokoiti, Ngāti Moekino and Ngāti Hä. The area provided the hapū with access to the Waikato Awa and the resources that they could draw from its waters.
2.9 STATEMENT OF ASSOCIATION FOR THE GEOTHERMAL RESOURCE

Clause 5.3
RAUKAWA DEED OF SETTLEMENT
DOCUMENTS SCHEDULE

2.9: STATEMENT OF ASSOCIATION FOR THE GEOTHERMAL RESOURCE

Raukawa have an association with the geothermal resources within their area of association, including at Okauia, Taihoa, Okoroire, Horohoro, Mangakino, Atiamuri, Whakamaru, Ongaroto. Raukawa acknowledge that other iwi have interests in these geothermal fields.

The people of Raukawa regard geothermal resources as taonga, handed down through the generations. Raukawa also consider geothermal resources to have a mauri in their own right and that mauri is connected to the condition of the site. Raukawa regard themselves as a kaitiaki of this taonga.

Historically and through to the present day, geothermal resources have been used in a variety of ways. Hot pools were used for cooking and the hot ground was used for cooking holes and ovens. Hot pools were also used for bathing and the mud was used in a medicinal manner to treat ailments such as infections and muscular conditions. Other geothermal areas were wāhi tapu: some places were recognised as places for healing and cleansing after battle, others were used as burial places.

The Raukawa association with geothermal resources stems from the arrival of the Tainui waka to Aotearoa, and the explorations of the Tainui ancestors, Rakatāura and Kahukeke through the current-day Raukawa rohe. In Raukawa traditions, these ancestors named many important sites on and around the geothermal resources.

Okauia Geothermal SA

Okauia Springs were and continue to be well-used by Raukawa people and other iwi due to the springs' healing qualities, especially for rheumatism. There are springs on either bank of the Waihou River and across the river is Papahuia, the other main group of springs.

A key site at Okauia Springs is Te Ramaroa located at Papahuia. Te Ramaroa was used by the people of Tangata marae and other iwi for healing mauiui (illnesses), and addressing general aches and pains of the body. According to legend, Te Ramaroa was named after a waka. The waka was crewed by a rangatira and his wife who ignored a warning not to go into the area. As a result they turned to stone and it is said that a perpetual fire remains under the bow of the waka.

Taihoa Geothermal SA

The significance of the Taihoa geothermal site for Raukawa stems back to the generation of Māhina-a-rangi. Having successfully given birth to her son Raukawa, tradition says that Māhina-a-rangi then bathed in the warm waters of the hot pool know known as Taihoa.

The name of this pool was referred to as "Te Waitikihanga a Māhina-a-rangi". Since that time, the people of Tangata marae and other iwi have utilised the hot pools at Taihoa to heal aches and pains.

Okoroire Geothermal SA

Raukawa have a long association with the Okoroire Geothermal area. The springs at Okoroire were used by Raukawa hapū living in Te Kaokaoroa o Pātete including Ngāti Tukorehe and Ngāti Te Rangi, Ngāti Mōtai and Ngāti Āhuru as healing pools to ease aches and pains and alleviate rheumatism. By 1889 the hot springs were world renowned.
Raukawa Association to Whakamaru, Ongaroto and Horohoro SA

Whakamaru Geothermal SA

The Raukawa association to the Whakamaru Geothermal SA stems back to the generation of Rakataura, the tohunga of the Tainui waka, and his wife Kahukeke. According to Raukawa tradition, the Whakamaru area was named by Rakataura for Kahukeke. Kahukeke was an artisan with flax and when she and her husband arrived in the area, he built her a shelter from which she could work. He named the area Te Whakamarumarutanga-o-Kahukeke.

Since that time hapū such as Ngāti Wairangi and Ngāti Whaita have resided at Whakamaru. Along the banks of the Waikato River was an ancient settlement named Waimahana which straddled both banks of the Waikato River. This was a settlement of Ngāti Whaita and Ngāti Wairangi. This settlement took its name from the geothermal riches of the area (literally, "warm water"), and was famed as a mahinga kai for kumara which grew plentifully here due to the warmth created through geothermal activity. Also nearby is the hot springs of Motumatai in the Waipapa River.

Ongaroto Geothermal SA

Raukawa has a long association with Ongaroto stemming back to the ancestors Whaita and Wairangi, Raukawa’s grandchildren, and continuing to the present day. These ancestors were among those who settled the area and their descendants continued to live on the land. Standing at Ongaroto is the marae known as Ongaroto Pa. The name of the wharenui is Whaita named after the eponymous ancestor.

Ongaroto is located on the right bank of the Waikato River and the hapū used the geothermal springs in conjunction with the cooler waters of the Waikato to ease muscular aches and pains. On occasion some of the āngāwhā were used to slowly cook food.

Horohoro Geothermal SA

Raukawa has a long association with the Horohoro area stemming a back to the time of the ancestors Whāita and Wairangi. The Horohoro bluffs are a significant geographical marker for the iwi.

Ngāti Huri and Ngāti Wairangi have longstanding connections to the Horohoro area. Historically, Ngāti Wairangi maintained cultivations at Horohoro and they continue to maintain a connection to Horohoro through their employment as foresters or in other pursuits such as pig hunting in the area.

According to Raukawa tradition, the hot pool at Horohoro was named Pupumahana and was used for washing garments, bathing and as a healing spa. This use of the pool is still practiced today.

Over the past 30 years Raukawa kaumatua have identified many sites of significance in the Horohoro region including burial sites and rock art.
2.10 STATEMENT OF ASSOCIATION FOR THE RIVERS AND TRIBUTARIES

Clause 5.3
2.10: STATEMENT OF ASSOCIATION FOR THE RIVERS AND TRIBUTARIES

Waikato, Waihou and Pūniu Awa and Tributaries

The Waikato, Waihou and Pūniu Awa and tributaries are the veins carrying the lifeblood of Papatūānuku. If events or activities affect the awa, they in turn affect Papatūānuku. The awa hold mana in their own right (spiritual authority and power, or a right to exist in a pristine state for intrinsic reasons) and its life essence or life force is the mauri of the awa. Each awa carries the life force for the Raukawa people; that which affects the awa, affects the people.

The Raukawa association to the Waikato, Waihou and Pūniu Awa stems back to the time of the arrival of the Tainui waka to Aotearoa. The Tainui ancestors, Rakataura and Kahukeke were the first people to settle in the western interior of the central North Island and were responsible for naming significant landmarks.

Waikato Awa and Tributaries

Raukawa have a special relationship with the Waikato Awa and its tributaries. This includes the seven hydro lakes being Karapiro, Arapuni, Waiōpapa, Maraetai, Whakamaru, Atiamuri and Ohakuri.

Thirteen generations after the arrival of the Tainui ancestors, Rakataura and Kahukeke, Raukawa established their interests in the Waikato Awa from the Huka Fails to Tiki o Ihingarangi. Since that time Raukawa hapū have maintained their ahikāroa.

For over 600 years, Raukawa have held that the mauri of the Waikato Awa and the mauri of Raukawa are inextricably linked. The Waikato Awa is a taonga to Raukawa. It is a whole and indivisible entity that flows from Ruapehu to Te Puaha o Waikato (the mouth) and includes its water, banks, beds (and all minerals under them), and its streams, waterways, tributaries, lakes, aquatic life, vegetation, flood plains, wetlands, islands, springs, water column, geothermal aspects, airspace and substratum as well as its metaphysical elements.

Within the region which the awa flows, the relationship that Raukawa have with the awa is paramount. It includes the enhancement of tribal mana but also gives rise to the responsibilities to protect the awa, its mana and mauri. These responsibilities are woven within the customary assertion of mana whakahaere, which is encompassed within long established kawa and tikanga.

Raukawa continue to exercise customary rights and kaitiakitanga in relation to the Waikato Awa within the Raukawa rohe. In accordance with the principles of ahikāroa, Raukawa marae, hapū and whānau still reside next to and live every day with the Waikato Awa. The awa has provided a source of spiritual, cultural, social and physical sustenance for the Raukawa people and, in turn, the role of kaitiaki embraces respect and an inter-generational responsibility.

Waihou River

Raukawa have an association with the Waihou Awa and its tributaries, and in particular, the source of the Waihou and the Waihou Springs. Raukawa acknowledge that other iwi share interests in parts of the Waihou River and its tributaries.

Thirteen generations after the arrival of the Tainui ancestors, Rakataura and Kahukeke, the ancestor, Raukawa, was born and spent his first days in the region of the Waihou Awa. The grandchildren of Raukawa returned to this region to defeat another iwi. Since that time Raukawa hapū have maintained their ahikāroa.

2.10: STATEMENT OF ASSOCIATION FOR THE RIVERS AND TRIBUTARIES

For over 600 years, Raukawa have held that the mauri of the Waihou Awa and the mauri of Raukawa are inextricably linked. The Waihou Awa is a taonga to Raukawa. It is a whole and indivisible entity that flows from the punawai (source) of the Waihou to the Blue Springs near Putaruru to Te Puaha o Waihou (the mouth) and includes its water, banks, beds (and all minerals under them), and its streams, waterways, tributaries, lakes, aquatic life, vegetation, flood plains, wetlands, islands, springs, water column, geothermal aspects, airspace and substratum as well as its metaphysical elements.

As tangata whenua within a region which the awa flows, the relationship that Raukawa have with the awa is paramount. It includes the enhancement of tribal mana but also gives rise to the responsibilities to protect the awa, its mana and mauri. These responsibilities are woven within the customary assertion of mana whakahaere, which is encompassed within long established kawa and tikanga.

Raukawa continue to exercise customary rights and assert the rights and responsibilities of kaitiakitanga in relation to the Waihou Awa within the Raukawa rohe. The awa has provided a source of spiritual, cultural, social and physical sustenance for the Raukawa people and, in turn, the role of kaitiaki embraces respect and an inter-generational responsibility. Raukawa consider the Waihou Awa to be a boundary marker remembered in the pepeha 'Mai te Wairere ki Maungatautari'.

In accordance with the principles of ahikāroa, many Raukawa marae and hapū were located near the Waihou Awa. To the west of the Waihou Springs stand the Ngāti Āhuru marae of Ngātira and Whakaaratamaiti. Also in this area are the remnants of ancient marae and wahi tapu, including Hamareha which is also known as Hamaria where the source of the Waihou Awa is found. To the east of the Waihou Awa stand the Ngāti Tūkorehe and Ngāti Te Rangi marae of Ruapeka and Tāpapa, Ōkaipō marae of Ngāti Kirihika and Ngāti Wehiwehi and Tangata marae. Also in this area once stood the Ngāti Tūkorehe pā of Tokopikowhakahau. To the south of the Waihou stands the Ngāti Mōtai and Ngāti Te Apunga marae of Paparaamu. Also in this area is the old pā of Wairerehaurangi and an eel weir called Ruatu, which was used by the hapū of Ngāti Mōtai, Ngāti Tūkorehe, and Ngāti Kirihika.

There are also particular sites of significance associated with the Waihou Awa that are of inestimable importance to Raukawa people. The swamp, Te Mana-o-Kahu, which forms part of the Waihou Awa, was named by Rakataura following the death of his wife, Kahukeke. One of the four famous niu pole, Te Niu o Tuwharakarara, is located to the north of the Waihou Springs in a village sustained by the spring waters. The Mangaowheo stream, a tributary of the Waihou, includes the Ruataupuku falls, and the eel weir at Kopuaroa. At Te Maire and Iwituaroa on the Waihou River, there were more eel weirs. Other tributaries of the Waihou River including the streams of Waiteariki and Manganui also supplied hapū with tuna (eels) and koura (freshwater crayfish) as well as their daily drinking water supply.

Pūniu River

Raukawa have a special relationship with the Pūniu Awa and its tributaries, particularly that part of the awa located in the Wharepūhunga Block. This includes the source of the Pūniu and tributaries such as Owairaka.

The history of the Tainui ancestors, Rakataura and Kahukeke in the Wharepūhunga region, where the Pūniu Awa flows, is particularly rich. It was in this region that Kahukeke fell ill. Rakataura consequently built a house for her to rest in and climbed a mountain where he performed a purification ritual to heal her. He was successful and his wife recovered. From this time forward, this region has been known as Wharepūhunga.
Thirteen generations later, Raukawa returned to this region and defeated another iwi. Since that time Raukawa hapū have maintained their ahikāroa. In particular, Whakatere, a son of Raukawa, had numerous descendants settle on the lands around the Pūniu at Wharepūhunga. Significant pā were built near the river, including Puketarata, Totorewa, Pataokatoka, Tangimanaia and Pamotumotu.

For over 600 years, Raukawa have held that the mauri of the Pūniu Awa and the mauri of Raukawa are inextricably linked. The Pūniu Awa is a taonga to Raukawa. It is a whole and indivisible entity that flows from the punawai (source) of the Pūniu to Te Puaha o Pūniu (the mouth) and includes its water, banks, beds (and all minerals under them), and its streams, waterways, tributaries, lakes, aquatic life, vegetation, flood plains, wetlands, islands, springs, water column, geothermal aspects, airspace and substratum as well as its metaphysical elements.

As tangata whenua within a region which the awa flows, the relationship that Raukawa have with the awa is paramount. It includes the enhancement of tribal mana but also gives rise to the responsibilities to protect the awa, its mana and mauri. These responsibilities are woven within the customary assertion of mana whakahaere, which is encompassed within long established kawa and tikanga.

Raukawa continue to exercise customary rights and the responsibilities of kaitiakitanga in relation to the Pūniu Awa within the Raukawa rohe. The awa has provided a source of spiritual, cultural, social, and physical sustenance for the Raukawa people, and in turn, the role of kaitiaki embraces respect and an inter-generational responsibility.

In accordance with the principles of ahikāroa, many Raukawa marae and hapū are still located near the Pūniu Awa, including the Ngati Puehutore marae of Whakamarama, the Ngati Takihiku marae of Rawhitiroa which sits at the confluence of the Owairaka stream and Pūniu Awa, the Ngati Kiriupokoiti marae of Aotearoa and the Ngati Werakoko marae of Parawera.

The Pūniu Awa provided important physical and spiritual sustenance to particular sites that are of inestimable importance to the Raukawa iwi:

- **Te Horanga pā** is located south of Kihikihi on the north bank of the Pūniu Awa. This site is significant as a pā taken by Raukawa in battle.

- **Whakapirimata pā** is located on the north bank of the Pūniu Awa near St Leger Road and not far from Te Horanga. This pā was built by Whāita after Raukawa settled in the area.

- **Pane-o-Whaita** is located on the north bank of the Pūniu Awa near Whakapirimata pā. This is where Whāita was buried.

- Several significant ancient pā of Ngāti Whakatere drew from/relied on the Pūniu Awa, including Puketarata (found to the north of the Mangaorongo Stream and south of Kakepuku), Totorewa (near the confluence of the Waipa River and Mangaorongo Stream), Patokatoka (near Mihimihi further up the Mangarongo Stream) and Tangimania and Pamotumotu (on a ridge west of the Mangatutu Stream).

- The pā site at Orakau is located near the Pūniu Awa. Orakau is a very significant site for Raukawa as this is where Raukawa lost many of their leading chiefs in the war with the Crown forces in 1864. The battle of Orakau is still commemorated by Raukawa iwi today.
2.11 STATEMENT OF ASSOCIATION FOR THE LAKES

Clause 5.3
RAUKAWA DEED OF SETTLEMENT
DOCUMENTS SCHEDULE

2.11: STATEMENT OF ASSOCIATION FOR THE LAKES

Waikato Awa Hydro Lakes

The Raukawa association to the Waikato Awa hydro lakes is based on their association with the awa itself. This stems back to the time of the arrival of the Tainui ancestors, Rakatāura and Kahukeke who were the first people to settle in the western interior of the central North Island and were responsible for naming significant landmarks. Subsequent Raukawa descendants took up occupation beside the Waikato Awa and Raukawa hapū continue to maintain their ahikaroa in the area that is now the Waikato hydro lakes.

When the Waikato Awa was raised during the twentieth century for hydro power generation, the resultant flooding spread across land that was important to Raukawa and submerged important historical and cultural sites. The Raukawa association with the areas that have subsequently become hydro lakes is detailed below.

Raukawa has a very long association with the land now on the bed of the seven hydro lakes within the Raukawa rohe (being Karapiro, Arapuni, Waipapa, Maraetai, Whakamaru, Atiamuri and Ohakuri). This association stems back to the time of the arrival of the Tainui waka to Aotearoa.

Lake Karapiro

Following the birth of Raukawa, Māhina-a-rangi continued her journey until she arrived at the Waikato Awa. At the time, it would have been too difficult to cross the river at Arapuni as the rapids were located there. Instead at a place now known as Horahora, (near present day Karapiro), Māhina-a-rangi crossed the river and continued on her journey to her husband. Horahora was named after the action of Māhina-a-rangi laying out the wet clothes of her baby to dry.

Three generations after Tūrongo and Māhina-a-rangi, the first grandchild of Raukawa was born. His name was Te Ihingarangi and he was the eldest son of Rereahu, the eldest son of Raukawa. Problems arose between Te Ihingarangi and his younger brother Maniapoto. During the ensuing fight, Maniapoto deposed his elder brother and Te Ihingarangi moved from his homeland and built a pā at Karapiro. According to Raukawa tradition, Karapiro was the stronghold of Te Ihingarangi.

The stretch of water at Karapiro was known in ancient times as Horotiu.

Before the dam was built, the awa at Karapiro supplied the people of Raukawa with tuna (eels), koura (freshwater crayfish) and kokopu (freshwater fish). It was a source of physical and spiritual wellbeing.

The Raukawa hapū of Ngāti Huri, Ngāti Tukorehe, Ngāti Mōtai, and Ngāti Te Apunga maintain a presence at Karapiro. These hapū built marae within the area and cultivated the lands.

Lake Arapuni

A number of Raukawa hapū lived in the Arapuni area including Ngāti Tamatehura, Ngāti Kapu, Ngāti Ngārongo, Ngāti Huri, Ngāti Hineone, and Ngāti Mutu. These hapū had pā, urupā, and cultivations in this area. In terms of Ngāti Mutu, their eponymous ancestor was a fifth generation descendant from Raukawa and it is said he met his untimely death when he drowned in the Arapuni rapids.
2.11: STATEMENT OF ASSOCIATION FOR THE LAKES

Arapuni was also a well known spot for eel fishing despite the presence of tumultuous rapids. Some of the names of these sites along the Arapuni stretch of the river are Te Takangaongaoko a kainga belonging to Ngāti Tukorehe, Huihuitaha stream (a eel source for many hapū), Te Ana Kaitangata, Mangare, Puketotara, Pawaiiti and Hapenui. Hapenui was one of the first pā to fail to the combined forces of Whāita, Tamatehura, Wairangi, Upokoiti and Pipito. These sites are regarded as highly significant to the many hapū of Raukawa.

Also near Arapuni is the ancient pā site of Piraunui (previously known as Motu Kakāpō). Piraunui was a pā taken from another iwi by the Raukawa forces led by Whāita. During the attack, because speed was of the essence, Raukawa threw their opponents from the cliff top and left the bodies of their enemy to rot at the escarpment floor below, hence the name Piraunui.

In the early 1800s, some Raukawa hapū in the Maungatautari area migrated to Kapiti while others like Ngāti Huri remained on the lands at Arapuni and do so today. The marae at Te Māttiti, although no longer used, still remains. The name of the whare was Te Maioha o Maihi Te Ngaru.

At Pikitū stands the Ngāti Huri marae. The name of the wharenui is Huri in commemoration of their eponymous ancestor. The people from Pikitū marae continue to interact with the Waikato Awa at Arapuni. They were able to excavate from the lake bed, artefacts from a sunken village. These artefacts included an old waka that is now safely housed in a whare taonga on the marae.

Lake Waipapa

Waipapa is a kainga site and was one of the traditional Raukawa boundary markers. The hapū of Ngāti Wairangi, Ngāti Moe, Ngāti Parekāwa, and Ngāti Te Kohera lived in the area. They had cultivations, and set eel pā in the river. East of Waipapa are the swamps Waikura and Hamotea where Raukawa hapū collected raupō for roofing in shelters. Waipapa is also particularly significant as it is the location at which the taniwha, Rangikakakē resides.

Te Atainutai, the son of the conqueror, Upokoiti settled the area at Waipapa.

Today the hapū of Ngāti Whāita, Ngāti Wairangi, Ngāti Poroaha and Ngāti Hā maintain a presence in the Waipapa area. The Ngāti Whāita pā at Ongaroto is located approximately 26km east of Waipapa dam.

Lake Maraetai

The hapū that descended from Upokoiti, Wairangi and Whāita, who conquered the area, lived within the Maraetai area, namely, Ngāti Whāita, Ngāti Poroaha (who are also identified as Ngāti Poroahi). The tupuna, Poroaha is a descendant of Rereahu, the first born child of Raukawa. His daughter, Te Akamorunga married the tupuna, Huri who descends from Whakatere, the second child of Raukawa.

Ngāti Whāita had cultivations on the land that is now Lake Maraetai at Wairere, Opukera, Motuhauhi, Taimoe and Te Ruahokoko. There was also a pā called Whakaheketaka, this is also where the dead were buried.
Lake Whakamaru

The hapū that lived in the Whakamaru area of the Waikato Awa were Ngāti Moekino, Ngāti Whāita and Ngāti Wairangi-Parewhete.

Whakamaru is a shortening of the name Te Whakamarumarutanga o Kahukeke. This was named by the ancestor Rakataura, for his wife Kahukeke (the daughter of Hoturoa, chief of the Tainui waka) as this was where he built her a shelter in which she could continue her excellent and well known work with flax and kākāhō.

There were many Raukawa kainga near and at Whakamaru including Te Kakaho and Arataki and kokowai caves above Waione. Stretching across the Waikato Awa was the Ngāti Whāita/Ngāti Wairangi stronghold of Waimahana. This area was submerged by the creation of Lake Whakamaru.

When the dam was constructed in 1949 the people of Ongaroto pā were forced to quickly remove the bones of ancient tupuna from their urupā. Not all the bones could be found.

Lake Atiamuri

Many hapū, including Ngāti Whāita, Ngāti Wairangi, Ngāti Moekino and Ngāti Hā maintained a presence in the Atiamuri area. These hapū built marae and cultivated the lands.

The river gave sustenance to the pā on the ancestral Raukawa maunga (mountain) Pohaturoa, which is located at Atiamuri. It was at Pohaturoa that Raukawa finally defeated another iwi and on top of Pohaturoa, the hapū Ngāti Whāita and later Ngāti Kikopiri occupied a pā. Tūpuna (ancestors) were also buried on Pohaturoa.

Situated on the right bank of the Waikato Awa, was a settlement of the hapū Ngāti Whāita and Ngāti Wairangi known as Niho-o-te-Kiore. A pā was built at Niho-o-te-Kiore belonging to Rongoirua (the grandfather of Hitiri Te Paerata). Aniwaniwa was also a settlement on the banks of the Waikato in the Atiamuri area that was occupied by Ngāti Wairangi, Ngāti Te Kohera and Ngāti Whāita. As well, Waiaute was a cultivation in the Atiamuri area belonging to the hapū Ngāti Pakau and Ngāti Wairangi.

The Ngāti Whāita pā at Ongaroto is situated approximately 5 kilometres west of Atiamuri dam. It is the only pā still standing within the area. Another marae, Rongopai, was also built at Ongaroto but it no longer exists today. The people of Ongaroto pā continue to fish and recreationally use Atiamuri for swimming and for the collection of koura. Many Raukawa continue to live in Atiamuri village today.

Lake Ohakuri

Lake Ohakuri was formed between 1956 and 1961 over parts of the Tatua West and East blocks, Tutukau lands, Tauri block, and the Rotomahana-Parekarangi block. Many Raukawa hapū built marae within the area and cultivated the lands and Rautawhiri, Ohakuri, and Taewhanga were of particular significance. Hitiri Te Paerata, a leading Raukawa chief, had a kainga at Ohakuri on the Tatua West block near the present day Ohakuri dam. Ohakuri was also a source of food for the hapū, especially tuna and koura. Today, Raukawa people hunt in the bush around Ohakuri Lake, fish and recreationally use the lake for camping and swimming.

Clause 5.4.2
THIS DEED is made by THE CROWN acting by the Commissioner of Crown Lands

BACKGROUND

A. Raukawa and the Crown are parties to a deed of settlement (the Deed of Settlement) to settle the Historical Claims of Raukawa dated 2 June 2012.

B. Under clause 5.7.2 of the Deed of Settlement, the governance entity and the Crown agreed (if the Deed of Settlement became unconditional) to enter into this Deed by or on the Settlement Date.

C. The Raukawa Claims Settlement Act [ ] (the Settlement Act) has come into effect and the Deed of Settlement has become unconditional.

IT IS AGREED as follows:

1. Definitions and Construction

In this Easement, unless the context requires otherwise:

"Easement Land" means that part of the land marked [•] on [•].

"Grantee" means the Sovereign in right of New Zealand acting by and through the Minister of Conservation and includes the servants, tenants, agents, workmen, licensees and invitees of the Minister and includes members of the public.

2. Operative Clause

The Grantor transfers and grants to the Grantee a vehicular right of way easement over the Servient Land on the terms, conditions, covenants and restrictions contained in this Easement.

3. Right of Way Easement Terms

3.1 The Grantee and any other person lawfully entitled (including the public) shall have the full free right, liberty and licence from time to time and at all times by day and by night to pass and repass with vehicles over and along the Easement Land.

3.2 In exercising its rights under this Easement, the Grantee shall not interfere with the Grantor's use of the Easement Land.

3.3 The Grantee may not use the Easement Land or any part of the Easement Land other than for the purpose expressly set out in clause 2 of this Easement. In particular, the Grantee may not in any way obstruct the Easement Land.

3.4 The Grantee may, at its own cost, form an accessway on the Easement Land.

3.5 The Grantor shall not be responsible to the Grantee or to any other person for any loss or damage sustained by the Grantee or by any such person using any part of the Easement Land at its own risk in all respects.

4. General Terms

4.1 No power is implied for the Grantor to determine the Easement for breach of any provision in this Easement (whether express or implied) or for any other cause, it being the intention of the parties that the Easement shall subsist for all time or until it is duly surrendered.

4.2 The covenants and powers contained in the Land Transfer Regulations 2002 in respect of easements shall apply to the extent that they are not expressly negatived in this Easement. The rights set out in Schedule 5 to the Property Law Act 2007 are excluded from this Easement.

5. Dispute Resolution

5.1 If any dispute arises between the Grantor and Grantee concerning the rights created by this Easement the parties shall enter into negotiations in good faith to resolve their dispute.

5.2 If the dispute cannot be resolved by the parties themselves then they shall explore whether the dispute can be resolved by use of an alternative dispute resolution technique.
4.3: TE TUKI RIGHT OF WAY EASEMENT

5.3 If the dispute is not resolved within one month of the date on which the parties begin their negotiations the parties shall submit to the arbitration of an independent arbitrator appointed jointly by the parties, and if one cannot be agreed upon within 14 days, to an independent arbitrator appointed by the President of the New Zealand Law Society. Such arbitration will be determined in accordance with the Arbitration Act 1996 and its amendments or any enactment passed in substitution. The parties' execution of this Easement shall be deemed a submission to arbitration.

2. TERM

2.1 The term of this Lease shall commence on the Date of Commencement and shall be for the period specified in Item 4 of the Reference Schedule.

3. RIGHT OF RENEWAL OF LEASE

3.1 If the Lessee has not been in any material breach of this Lease and has given to the Lessor written notice to renew this Lease at least three (3) calendar months before the end of each term then the Lessee shall have the right to obtain in accordance with the provisions hereinafter contained a renewed lease of the Land for the term of years specified in Item 6 of the Reference Schedule computed from the relevant date specified in Item 7 of the Reference Schedule and subject to the same covenants and provisions expressed and implied in this Lease.

3.2 If the Lessee fails within the time aforesaid to give any notice under clause 3.1 as to whether it desires a renewed lease and the Lessor at any time after such expired time has given one month's written notice to the Lessee advising the Lessee that it has one further month from the date of such letter to exercise its right of renewal, and the Lessee still fails to advise the Lessor of its desire to renew, then the Lessee shall be deemed to have given notice that a renewed lease is not required. If the Lessee gives notice in writing that it does not desire a renewed lease or there is a deemed notice that a renewal is not required then its right for a renewed lease shall cease on expiry of the one month notice period aforesaid or on the date at which notice is received by the Lessor (as the case may be).

3.3 Any notice by the Lessee under clause 3.1 or clause 3.2 of its desire to accept a renewed lease shall be deemed to constitute a contract between the Lessor and the Lessee for the granting and acceptance of a renewed lease at the rent to be determined under clause 5 for the term and subject to the covenants and provisions referred to in clause 3.1.
3.4 The term of any renewed lease shall run from the day immediately after the expiry of the prior lease, and the rent thereunder shall accrue from that date instead of the rent reserved in the prior lease, notwithstanding the fact that the renewed lease may not be executed until after that date. Clause 5.11 shall otherwise apply.

3.5 The Lessor shall prepare each memorandum of renewal of this Lease and the Lessee will forthwith enter into and execute such memorandum of renewal of lease.

4. RENT

4.1 The Lessee shall pay the annual rent specified in Item 8 of the Reference Schedule from the Date of Commencement until the rent is varied under clause 5 at which time the Lessee will pay rent at the varied rate.

4.2 Rent shall be paid on the first day of each month by equal monthly payments in advance with broken period payments due on a proportionate basis for any broken period at the Date of Commencement and on expiry of the Lease term.

4.3 All rent shall be paid without any deduction or set-off whatsoever by direct automatic bank payment to the Lessor or as the Lessor may otherwise direct.

5. RENT REVIEW PROVISIONS

5.1 In this clause "Initiating Party" means the party that gives the Notice defined in clause 5.2 and "Recipient" means the party that receives that Notice.

5.2 The annual rent may be reviewed by the Lessor or by the Lessee on the dates specified in Item 9 of the Reference Schedule. At any time not earlier than three (3) months prior to the relevant date specified in Item 9 of the Reference Schedule (each of such dates being called the "review date"), either party may give notice in writing to the other ("the Notice") of that party's assessment of the annual rent of the Land to apply from that particular review date.

5.3 The annual rent of the Land shall be assessed on the basis of current market rental of the Land as determined as at the review date. In determining the annual rent of the Land the valuers and any umpire shall, in addition to other relevant factors:

5.3.1 Disregard:

(a) any deleterious condition of the Land if such condition results from any breach of this lease by the Lessee;

(b) the value of any goodwill attributable to the Lessee's business; and

(c) all Improvements made to the Land.

5.3.2 Have regard to:

(a) the Lessor's Improvements; and

(b) the permitted use under this Lease; and
5.4 In the event that the Recipient does not agree with the Initiating Party's assessment of the annual rent of the Land to apply from the particular review date, the Recipient shall notify the Initiating Party in writing ("the Counter Notice") within twenty-one (21) days (in which respect time shall be of the essence) that the Recipient requires such rent to be determined in accordance with clause 5.7 and the Recipient shall set out in the Counter Notice the amount which the Recipient considers to be the annual rent as at the particular review date.

5.5 Unless such notice is given by the Recipient within twenty-one (21) days, then the amount stated in the Notice shall become the annual rent of the Land reserved by this Lease as and from the particular review date in substitution of the previous amount payable.

5.6 Neither party shall by reason of its failure to give the Notice prior to any review date forfeit its right to have the annual rent reviewed as from that particular review date and the reviewed annual rent which should have been paid from that particular review date shall date back to and be payable from that particular review date or the date of service of the Notice if such notice is served later than 12 months after the relevant rent review date and any payment of or receipt for the payment of ground rent due on or after a particular review date shall not prejudice either party's right to demand repayment or payment thereafter of any additional annual rent overpaid or payable pursuant to the provisions of clause 5.10.2.

5.7 Where the Counter Notice is given, the Lessor and Lessee shall enter into negotiations to resolve the dispute. Should agreement not be reached within fourteen (14) days (or such longer period as the Lessor and Lessee shall agree upon in writing) after the date on which the Recipient gives the Counter Notice then:

5.7.1 the Lessor and Lessee shall, within twenty-one (21) days after the date on which the Recipient gives the Counter Notice, each appoint a valuer to jointly determine the ground rent of the Land. A valuer nominated by either party pursuant to this clause shall be a full registered member of the New Zealand Institute of Valuers and shall be competent to practice as a valuer of ground leases and shall have at least five (5) years experience in valuing ground leases within the district in which the Land is situated and be active in the market at the time of his or her appointment.

5.7.2 if either the Lessor or the Lessee fails to appoint a valuer within twenty-one (21) days as aforesaid, then the determination of the annual rent shall be made by the sole valuer as nominated by either the Lessor or Lessee as the case may be, within one (1) month of the expiry of the twenty-one (21) days as aforesaid and his or her determination shall be final and binding on both parties as if his or her appointment had been by consent.

5.7.3 before proceeding with their determination, the said valuers shall agree upon and appoint an umpire (also qualified in the manner referred to in clause 5.7.1) and obtain the umpire's acceptance in writing of his or
her appointment and who, as a condition of his or her acceptance, undertakes to hand down his or her determination of the annual rent within one month of being instructed to proceed or such other time period as the Lessor and Lessee may agree, whichever is the latest.

5.7.4 if the said valuers within fourteen (14) days of the date of their appointment either fail to appoint an umpire or are unable to agree upon an umpire, then either the Lessor or the Lessee may request the President, for the time being, of the New Zealand Institute of Valuers or any successor to such Institute to appoint an umpire (also qualified in the manner aforesaid) and obtain the umpire's acceptance in writing of his or her appointment and who as a condition of his or her acceptance undertakes to hand down his or her determination of the annual rent in the same manner as if he or she had been appointed pursuant to clause 5.7.1.

5.7.5 subject to clauses 5.7.2, 5.7.3 and 5.7.4 the valuers so nominated shall within one (1) month of the date of appointment jointly determine the annual rent as at that particular review date.

5.7.6 in the event that either valuer fails to provide to the other valuer his or her written assessment of the annual rent within one month of the date of appointment, then the annual rent shall be determined by the other valuer and his or her determination shall be final and binding on both parties.

5.7.7 if the said valuers are unable to agree upon a determination within one month of their appointment or within such extended time as the Lessor and Lessee may agree, then the annual rent shall be determined by the umpire whose determination shall be final and binding on the parties. The umpire shall without limiting his or her enquiries and conduct of any hearing:

(a) arrange for a hearing to be conducted without delay;
(b) call for evidence in chief to be presented on behalf of each party to be circulated prior to a hearing;
(c) allow representation of each party and cross-examination of evidence and any re-examination of evidence at the hearing;
(d) have due regard to any evidence submitted by the valuers as to their assessment of the annual rent;
(e) take into account any expert witness evidence considered relevant to the hearing;
(f) have regard to the legal rules of evidence and the interests of natural justice in the conduct of any hearing as between the parties;
(g) give in his or her determination the reasons therefor in writing.
5.7.8 the costs incurred in the determination pursuant to clause 5.7 of the annual rent shall be borne by the parties in the following manner:

(a) subject to clause 5.7.8(b) each party shall be responsible for the cost of its own appointed valuer;

(b) where the determination is made by a single valuer pursuant to clause 5.7.2 the cost of his or her determination shall be apportioned equally as between the Lessor and Lessee;

(c) the parties shall share equally the costs of the umpire unless any party has acted capriciously or unreasonably in any of the proceedings pursuant to the provisions of this clause 5.7 in which case the umpire may determine the manner in which such costs shall be apportioned between the parties PROVIDED THAT in all cases if the annual rent to apply from the review date is:

(1) equal to or exceeding the annual rent nominated in the notice given by the Lessor (whether the Notice or the Counter Notice) then all costs of the valuers and the umpire (where applicable) shall be borne by the Lessee alone; or

(2) equal to or less than the annual rent nominated in the notice given by the Lessee (whether the Notice or the Counter Notice) then all costs of valuers and the umpire (where applicable) will be borne by the Lessor alone;

(3) other than the foregoing then all costs of valuers and the umpire (where applicable) will be borne equally by the Lessor and the Lessee.

5.8 The valuers or umpire shall be deemed to be acting as experts and not as arbitrators.

5.9 Despite any provision in this clause 5, the annual rent agreed, determined or imposed pursuant to this clause 5 shall be the annual rent payable as from the relevant rent review date or the date of service of the Notice if such notice is served later than 12 months after the relevant rent review date.

5.10 Where a review pursuant to this clause 5 of the annual rent reserved by this Lease is completed after the review date, then:

5.10.1 pending completion of the review, annual rent shall be paid at the rate prevailing immediately prior to the relevant review date;

5.10.2 on completion of the review, any increased annual rent payable as from the review date, or the date of service of the Notice if such notice is served later than 12 months after the relevant rent review date, shall be paid by the Lessee to the Lessor no later than the date on which the next installment of annual rent is payable hereunder;

5.10.3 on completion of the review, any overpayment of annual rent paid as from the review date, or the date of service of the Notice if
5.1: NEW ZEALAND POLICE LEASE

such notice is served later than 12 months after the relevant rent review date, shall be held by the Lessor to the Lessee's credit on account of annual rent next falling due for payment unless the Lessee requests the Lessor in writing to refund such payment in which case the Lessor will comply with that request.

5.11 If any moratorium or other law Act or regulation that applies to this Lease has the effect of postponing any periodic review of annual rent as at the review date then if and whenever such moratorium is lifted or the law, Act or regulation is repealed or amended so as to permit the annual rent to be reviewed then the review that has been postponed shall take place as at the date that such moratorium is lifted or such law, Act or regulation is repealed or amended to the intent that the rent review shall establish the annual rent as at such date and not as at the postponed review date but any subsequent rent review shall take place on the next following review date fixed in accordance with clause 5.

5.12 Immediately upon the parties agreeing to pay a revised annual rent or on determination under clause 5.7 the Lessee shall enter into an appropriate registrable Memorandum of Variation of Lease recording such revised annual rent prepared by the Lessor.

6. CHARGES

6.1 The Lessee will pay all charges incurred by the Lessee for electricity, gas, water or power or other services in respect of the Land and Improvements including all connection, disconnection, or other fees payable by the Lessee or the Lessor to other authorities in respect of such services.

7. PAYMENT OF RATES AND IMPOSITIONS

7.1 The Lessee will pay all rates, taxes (including without limitation land or improvements tax but excluding any income tax or capital gains tax or such similar tax which is personal to the Lessor which is imposed as a result of any sale or other disposal of the Land or because of income gained by the Lessor from the Land), charges, assessments, impositions and outgoings whatsoever which now are or which during the term or any renewed lease shall be taxed, rated, charged, assessed or imposed on the Land, any Improvements or on the Lessor or Lessee in respect thereof by any Authority.

7.2 In accordance with section 11(1)(b) of the Local Government (Rating) Act 2002 the lessee will be entered in the rating information database and the district valuation roll (as these terms are defined in the Local Government (Rating) Act 2002) as the ratepayer in respect of the Land.

8. GOODS AND SERVICES TAX

8.1 The Lessee shall pay to the Lessor upon demand any taxes paid or payable by the Lessor or accountable by the Lessor pursuant to the provisions of the Goods and Services Tax Act 1985 or any similar tax levied in substitution therefor including all amendments and any enactments in substitution therefor or in addition thereto or otherwise in respect of any payments made by the Lessee under this Lease (including the payment of annual rent) or paid by the
5.1: NEW ZEALAND POLICE LEASE

Lessor on behalf of the Lessee’s obligation to make such payment under this Lease.

9. INTEREST ON OVERDUE RENT OR OTHER MONEYS

9.1 Without prejudice to other rights powers and remedies of the Lessor, if any annual rent, goods and services tax or other payment or amount owing by the Lessee to the Lessor whatsoever pursuant to this Lease shall be in arrears and unpaid for fifteen (15) business days after the due day for payment thereof (whether any formal or legal demand therefor shall have been made or not) such unpaid moneys shall bear interest on a daily basis compounded on monthly rests computed from such due date until the date of payment in full of such moneys at a rate being 1% above the average 90 day bank bill buy rate (described as the BID rate) at 10.45am on the date the payment was due as shown on page BKBM (or its successor page) on the Reuters screen or at a rate based on any successor screen or if there is none at a rate equal to the bank overdraft rate of the Lessor’s bank at the time of any default and the said interest shall be recoverable in the same manner as rent in arrears.

10. USE OF THE LAND AND IMPROVEMENTS

10.1 The Lessee shall be permitted the right to carry on the business specified in Item 10 of the Reference Schedule.

10.2 Should any of the uses of the Land and any Improvements be permissible only with the consent or licence of any Authority under or in pursuance of statute or any Regional and District Plans or regulation or other enactment or order of Court the Lessee shall obtain such consent or licence at the sole cost and expense of the Lessee including but not limited to any costs of financial contributions required and the Lessee shall at all times comply with any conditions of such consent, order or authority obtained.

10.3 Where the Lessee is lawfully obliged to obtain any licence, resource consent (including any land use consent or discharge permit) or other consents from any Authority such as required under section 348 of the Local Government Act 1974, the Lessor agrees that it and any officer, or employee or agent of the Lessor shall not raise any objection or requisition relating thereto as landowner of the Land where the Lessee is using the Land for any permitted use under this Lease and is not in any material breach or likely to be in any material breach at any time in the future of any terms and conditions of this Lease.

10.4 Despite any other provision in this Lease, if at any time during the term of this Lease, the Land cannot be, or can no longer be lawfully used for Police purposes, the Lessee may terminate this Lease on giving reasonable notice to the Lessor.

11. NO FENCING

11.1 The Lessor shall be under no liability whatsoever whether under the Fencing Act 1978 or otherwise to contribute towards the cost of erection or repair of any boundary fences between the Land and any land owned or occupied by the Lessor but nothing herein contained shall be deemed to limit any liability
imposed by statute upon any present or future lessee of the Lessor of any adjoining land.

12. STATUTORY REQUIREMENTS

12.1 The Lessee must comply with all statutes, Regional and District Plans, bylaws and regulations which relate to the Land and Improvements or which relate to the Lessee's use of the Land and Improvements and with all conditions or requirements which may be given or required by any person having any lawful authority and will in particular but without limitation:

12.1.1 ensure that a warrant of fitness is obtained each year in respect of any Improvements if required under the Building Act 2004;

12.1.2 comply with and observe at all times the terms and conditions of all resource consents held in respect of the use of the Land and the requirements imposed and otherwise arising under the Resource Management Act 1991; and

12.1.3 ensure that proper and adequate health and safety procedures are adopted in accordance with the Health and Safety in Employment Act 1992.

12.2 The Lessee shall not, during the term of this Lease:

12.2.1 make or enter into or endeavour to make or enter into any composition, assignment or other arrangement with or for the benefit of the Lessee's creditors;

12.2.2 suffer insolvency, bankruptcy or liquidation;

12.2.3 suffer distress or allow execution to issue against the Lessee's property, goods or effects under any judgment against the Lessee in any Court in a sum in excess of twenty five thousand dollars ($25,000.00) provided however that this subclause 12.2.3 shall have no application or effect whilst Her Majesty the Queen Acting By and Through the Minister of Police is the Lessee hereunder.

13. SUBLETTING AND NO ASSIGNMENT

13.1 The Lessee will not without the previous consent in writing of the Lessor sublease this Lease. Such consent shall not be unreasonably or arbitrarily withheld or delayed without some good cause assigned having regard to the solvency or respectability of the proposed sublessee. Notwithstanding this clause where the Crown (as that term is defined in section 2 of the Public Finance Act 1989) remains as the Lessee under this Lease and in occupation from the Lessor the consent of the Lessor shall not be required when another Crown entity assumes occupation of all or any part of the Land except that on each occasion that a different Crown entity (as defined in section 7(1) of the Crown Entities Act 2004) or other Crown body or state owned enterprise assumes the role and obligations of the Lessee under this Lease the Lessee shall notify the Lessor in writing of that change.
13.2 The Lessee shall be strictly prohibited from assigning its rights and obligations under this Lease unless the assignee is a crown entity approved by the Lessor.

13.3 Clause 13 applies to any assignment or subletting of the interest of the Lessee by any assignee of a bankrupt Lessee or any liquidator or receiver of a Lessee that is a company.

13.4 For the purposes of clause 13.2 any proposed change in the shareholding of the Lessee or any amalgamation under Section 219 of the Companies Act 1993 altering the effective control of the Lessee shall be a deemed assignment of this Lease and will require the consent of the Lessor unless such deemed assignment involves a change of effective control to any of the entities mentioned in clause 13.5.

13.5 For the purposes of clause 13.2 any proposed change in the effective control of any Lessee that is a Crown entity as that term is defined in section 7(1) of the Crown Entities Act 2004 or a State Owned Enterprise shall be a proposed assignment of this Lease. The Lessor in deciding whether or not to grant consent shall only be entitled to consider the effect of the alteration of the effective control in the ability of the Lessee to continue to meet its obligations under the Lease including contingent liabilities. For the purposes of this clause any change in the management structure of the Lessee shall not be construed as a change in the effective control of the Lessee.

14. LESSEE’S ACKNOWLEDGEMENT OF RISK

14.1 The Lessee agrees to occupy and use the Land and any Improvements at the Lessee’s risk and release to the full extent permitted by law the Lessor its employees and agents from all claims and demands of any kind and from all liability which in the absence of any negligence on its or their part may arise in respect of any accident damage or injury occurring to any person or property in or about the Land and any improvements thereon except where the Lessor or any person under the control of the Lessor is at fault or negligent through their own acts or omissions.

15. QUIET ENJOYMENT/REPUDIATION

15.1 Provided the Lessee performs and observes the covenants, provisions, conditions and agreements contained in this Lease the Lessee shall peaceably hold and enjoy the Land and Improvements thereon without hindrance or interruption by the Lessor or by any person or persons claiming under the Lessor until the expiration or sooner determination of this Lease. For the avoidance of doubt, the phrase "person or persons claiming under the Lessor" does not include beneficiaries of any trust of which the Lessor is trustee.

15.2 The Lessor is to compensate the Lessee and the Lessee shall be entitled to recover any damages for any loss or damage suffered by reason of any acts or omissions of the Lessor constituting a repudiation of the Lease or the Lessor’s obligations under the Lease. Such entitlement shall subsist notwithstanding any cancellation or early termination of the Lease and shall be in addition to any other right or remedy which the Lessee may have.
16. REGISTRATION

16.1 The Lessor shall register this Lease under the provisions of the Land Transfer Act 1952.

16.2 The Lessee will be responsible for survey and other costs incurred in obtaining registration of this Lease.

17. IMPROVEMENTS DURING LEASE

17.1 Throughout the term of this Lease and on any renewal any Improvements installed or erected on the Land shall be deemed to remain in the ownership of the Lessee unless the Lessor and the Lessee otherwise agree in writing.

17.2 Throughout the term of this Lease and on any renewal the Lessee shall have the right to alter, construct and demolish any Improvements on the Land without the need to obtain the Lessor's consent providing all obligations required of the Lessee under this Lease relevant to Improvements on the Land are satisfied.

18. IMPROVEMENTS ON TERMINATION OF LEASE

18.1 No later than twelve (12) months prior to the expiry of any term of Lease the Lessee may give notice ("the Lessee's Transfer Notice") to the Lessor specifying any Improvements which the Lessee wishes to transfer to the Lessor following expiry of the Lease or renewal. The Lessee's Transfer Notice shall contain details of those Improvements, their current market value and the proposed terms of transfer of the Improvements.

18.2 The Lessor agrees to consult with the Lessee regarding the Improvements specified in the Lessee's Transfer Notice, and to consider any proposal to transfer such Improvements. Nevertheless, the Lessee acknowledges that nothing in this clause or in the Lessee's Transfer Notice shall oblige the Lessor to take a transfer of, or to pay any compensation or consideration for, such Improvements.

18.3 If no agreement is reached regarding the transfer of Improvements pursuant to this clause (before six months prior to the expiry of the Lease, or before the earlier termination of the Lease), the following provisions of this clause 18 shall apply.

18.4 On termination of this Lease (whether by expiry of time or otherwise) except where the Lessee has exercised any rights of renewal, the Lessee may, but shall not be required by the Lessor to, remove any Improvements specified in a written notice ("the Lessee's Removal Notice") given to the Lessor in accordance with clause 18.5.

18.5 The Lessee may, but shall not be required by the Lessor to, remove Improvements that are clearly identified in the Lessee's Removal Notice which must be given no later than three (3) months prior to the expiry of the term (time being of the essence) or one (1) month after any sooner termination.

18.6 The Lessee must remove all Improvements specified in the Lessee's Removal Notice within six (6) months from the date of termination (time being of the
5.1: NEW ZEALAND POLICE LEASE

essence) and must ensure within that time that all services to any
Improvements are properly and lawfully disconnected, the Land under any
Improvements is adequately filled with soil so that the surface of the Land is
stable and restored to the Lessor's reasonable satisfaction and such Land is
otherwise grassed and left in a neat and tidy condition.

18.7 If the Lessee fails to remove any Improvements specified in the Lessee's
Removal Notice in accordance with clause 18.6 then the Lessor may remove
them and all costs and expenses incurred directly and indirectly shall be
recoverable against the Lessee.

18.8 Any Improvements remaining on the Land after the period referred to in
clause 18.6 shall become the property of the Lessor without any
compensation or other payment whatsoever to the Lessee.

18.9 The Lessee must continue to pay rent and outgoings under this Lease and
comply with all other obligations under this Lease until it has met its
obligations under clause 18.6.

18.10 Whenever resource consent is required to remove or demolish any
Improvements the Lessee shall use all reasonable endeavours to obtain all
necessary consents and shall continue to be obliged to pay rent and
outgoings under this Lease until such time that the Lessor is satisfied on
reasonable grounds that the Lessee has used all reasonable endeavours to
obtain all necessary consents and produced to the Lessor evidence
satisfactory to the Lessor to satisfy this requirement.

19. DESTRUCTION AND REDEVELOPMENT

19.1 The Lessee shall be entitled to carry out repairs, demolition, relocation,
additions, reinstatement or redevelopment to any Improvements on the Land
in the event of total or partial destruction or in the event of the Lessee wishing
to demolish, relocate, redevelop, replace or add to any Improvements on the
Land provided the following conditions are or will be satisfied:

19.1.1 any repair, demolition, relocation, addition, reinstatement or
redevelopment shall fully comply with Regional and District Plans
and all statutory and regulatory requirements in force at the time;
and

19.1.2 the Lessee is able to obtain all resource and building consents
necessary to carry out any works programme;

and upon satisfaction of such conditions the Lessee shall repair, demolish,
relocate, reinstate, rebuild or add to (as the case may be) any Improvements
or such part of Improvements requiring such work in accordance with the
conditions set out above.

19.2 In the event that the Lessee is prevented or unable to reinstate or rebuild in
the event of total or partial destruction it may forthwith terminate this Lease
provided that the Lessee demolishes the Improvements and clears and
restores the Land all in accordance with the requirements of clause 18.6.

21. DEFAULT BY LESSEE

21.1 The Lessor may (in addition to the Lessor's right to apply to the Court for an order for possession) cancel this Lease by re-entering the land at the time or any time thereafter:

21.1.1 If the rent shall be in arrear twenty (20) business days after any of the rent payment dates and the Lessee has failed to remedy that breach within ten (10) business days after service on the Lessee of a notice in accordance with section 245 of the Property Law Act 2007;

21.1.2 In case of breach by the Lessee of any covenant or agreement on the Lessee's part herein expressed or implied (other than the covenant to pay rent) after the Lessee has failed to remedy that breach within the period specified in a notice served on the Lessee in accordance with Section 246 of the Property Law Act 2007;

and the term shall terminate on such cancellation but without prejudice to the rights of either party against the other.

21.2 In the event that the Lease is terminated by the Lessor in accordance with clause 21.1, the Lessee's obligations under clause 18 with respect to Improvements must be satisfied.

22. DISPUTE RESOLUTION

22.1 Any dispute or difference which may arise between the parties concerning the interpretation of this Lease or relating to any other matter arising under this Lease will be actively and in good faith negotiated by the parties with a view to a speedy resolution of such differences.

22.2 If the parties cannot resolve a dispute or difference within fifteen (15) business days of any dispute or difference arising then, unless otherwise expressly provided in this Lease, they will without prejudice to any other right, explore whether such dispute or difference can be resolved by agreement between them using informal dispute resolution techniques such as mediation. The rules governing any such technique if adopted will be agreed between the parties or as selected by the organisation known as 'LEADR' (Lawyers Engaged in Alternative Dispute Resolution).

22.3 If the parties cannot agree on any dispute resolution technique within a further fifteen (15) business days of any dispute or difference being considered for referral by both parties to any informal dispute resolution technique under clause 22.2 then the dispute or difference shall be settled by reference to arbitration. Except as otherwise expressly provided in this Lease the reference shall be to a single arbitrator if one can be agreed upon, or to two arbitrators (one to be appointed by each party) and their umpire (appointed by them prior to their arbitration), such arbitration to be carried out in accordance with the Arbitration Act 1996 or any successor Act.

22.4 The parties will co-operate to ensure the expeditious conduct of any arbitration. In particular, each party will comply with any reasonable time limits sought by the other for settling terms of reference, interlocutory matters and
generally all steps preliminary and incidental to the hearing and determination of the proceedings.

23. COSTS

23.1 The parties shall each pay their own solicitors' costs on preparing and finalising this Lease or any renewal or variation of this Lease.

23.2 The Lessee shall be responsible for payment of all registration fees including agency charges imposed and all government tax duty or imposts at any time payable on this Lease or any renewal or variation to this Lease.

23.3 The Lessee shall pay all costs, charges and expenses for which the Lessor shall become liable in consequence of or in connection with any breach or default by the Lessee in the performance or observation of any of the terms, covenants and conditions of this Lease.

24. LESSOR'S RIGHTS TO INSPECT AND DISPLAY SIGNS

24.1 The Lessor will have the right to inspect the Land no more than twice each year during the term or any renewal of this Lease with valuers or other experts and consultants provided such inspections are carried out at times reasonably acceptable to the Lessee on reasonable notice to the Lessee and only when accompanied by a servant or agent of the Lessee. Any such inspections should be carried out in accordance with the Lessee's security and health and safety requirements and the Lessee shall have the right to change any suggested time to a mutually convenient time.

24.2 Notwithstanding anything else herein, the parties agree that the Lessee may require any person wishing to enter the Land for inspection purposes to first provide their details to the Lessee for a security check. If the results of such check are not acceptable to the Lessee for any reason then such person may be refused entry to the Land.

24.3 If the Lessor desires to, or is required to, undertake any works on the Land, including any repair or maintenance works, that involves the use of contractors or other third parties, the Lessor must procure any contractor or other third party who will have access to the Land to undertake such works to:

24.3.1 complete a security check on terms reasonably acceptable to the Lessee;

24.3.2 provide the Lessee with a copy of the contractor's Health and Safety Plan which shall be subject to the Lessee's reasonable approval prior to any work commencing; and

24.3.3 familiarise themselves with and commit to complying with the Lessee's own Health and Safety Plan in all material respects.

24.4 The Lessor will not provide or allow the provision of any information relating to the structure, or access to, the buildings on the Land in any way to any person without first obtaining the written permission of the Lessee.

24.5 The Lessee will during the period of three (3) months prior to the termination date of this Lease permit the Lessor to exhibit the Land to prospective lessees
or purchasers and allow the Lessor to affix to the Land appropriate sale or reletting notices.

25. DISPOSAL OF LESSOR'S INTEREST

25.1 The Lessor may dispose of the Lessor's interest in the Land to a fully owned subsidiary of the Lessor and the consent of the Lessee shall not be required except in such circumstances where a different fully owned subsidiary of the Lessor assumes the role and obligations of the Lessor under this Lease, the Lessor shall then be required to notify the Lessee in writing of that change.

25.2 Subject to the provisions of this clause the Lessor may at any time dispose of the Lessor's interest in the Land to a body which is not a fully owned subsidiary of the Lessor provided that:

25.2.1 any such disposal shall preserve to the Lessee all the Lessee's rights and remedies under this Lease; and

25.2.2 for so long as the Lessee is the Crown (as that term is defined in section 2 of the Public Finance Act 1989) or a Crown entity (as that term is defined in section 7(1) of the Crown Entities Act 2004) the following further provisions shall apply:

(1) The Lessor shall advise the Lessee in writing of the person or corporation to whom the Lessor intends to dispose of its interest in the Land (proposed Assignee).

(2) If the Lessee has any objection to the proposed Assignee because the Lessee reasonably apprehends in good faith that either:

(a) The proposed Assignee presents an actual or potential threat to the discharge by the Lessee of the Lessee's statutory obligations; or

(b) The role or function of the Lessee will be prejudiced by the proposed Assignee becoming the Lessor;

then the Lessee shall within five (5) business days of receiving the Lessor's advice pursuant to clause 25.2.2(1) above, notify the Lessor in writing of its objection to the proposed Assignee and shall substantiate its reasonable apprehension to the reasonable satisfaction of the Lessor;

(3) If the Lessor does not receive written notice from the Lessee pursuant to clause 25.2.2(2)(a) or 25.2.2(2)(b) above together with grounds to substantiate its reasonable apprehension within five (5) business days from the date of its advice to the Lessee, the Lessee shall be deemed to have accepted the proposed Assignee.

(4) If the Lessee objects to the proposed Assignee in accordance with clause 25.2.2(2)(a) or 25.2.2(2)(b) above, then the Lessor shall not dispose of its interest to the proposed Assignee.
5.1: NEW ZEALAND POLICE LEASE

(5) If the Lessor fails to advise the Lessee in writing of the disposal of its interest in the Land and the Lessee has objections to the proposed Assignee based on those reasons set out in clauses 25.2.2(2)(a) or 25.2.2(2)(b) above, then the Lessee shall be entitled at any time thereafter to terminate this Lease on seven (7) days written notice and the Lessee's obligations under this Lease shall cease from the expiration of such notice.

26. HOLDING OVER

If the Lessor permits the Lessee to remain in occupation of the Land after the expiration or sooner determination of this Lease, such occupation shall be a tenancy at will only terminable by twenty (20) business days written notice at the rent then payable per month for the Land and otherwise on the same covenants and agreements (so far as applicable to a tenancy at will) as herein expressed or implied.

27. EXCLUSION OF IMPLIED PROVISIONS

27.1 The following covenants, conditions and powers implied in leases of land pursuant to Schedule 3 of the Property Law Act 2007 are expressly excluded from application to this Lease:

27.1.1 clause 10 - Premises unable to be used for particular purpose;

27.1.2 clause 11 - Power to inspect premises.

2.3 The Transfer Value of the Land is equivalent to the market value of the Land exclusive of improvements less 20%.
Rent Review

When a party initiates the rent review process as set out in clause 3.5:

3.1 At each rent review, the Annual Rent will be calculated at 6.25% of the value [calculated at the mid point between the Current Market Value of the Land as a School Site set out in clause 3.2 and the Nominal Value as set out in clause 3.4.]

3.2 The Current Market Value of the Land as a School Site referred to in clause 3.1 above is equivalent to the market value of the Land exclusive of improvements based on highest and best use less 20%.

(a) for the first Rent Review Date: a value based on 4% growth per annum of the Transfer Value of the Land

(a) At any time during the period which starts three months before any Rent Review Date and ends one year after any Rent Review Date (time being of the essence) either party may give written notice to the other specifying a new Annual Rent, calculated in accordance with clause 3.1, which the notifying party considers should be charged from that Rent Review Date ("Rent Review Notice"). The Rent Review Notice must be supported by a registered valuer's certificate.

(b) If the notified party accepts the notifying party's assessment in writing, the Annual Rent will be the rent specified in the Rent Review Notice which will be payable in accordance with step (i) below.

(c) If the notified party does not agree with the notifying party's assessment it has 30 Business Days after it receives the Rent Review Notice to issue a notice disputing the proposed new rent ("the Dispute Notice"), in which case the steps set out in (d) to (k) below must be followed. The Dispute Notice must be supported by a registered valuer's certificate.

(d) Until the new rent has been determined or agreed, the Lessee will continue to pay the Annual Rent at the existing amount which had been payable up to the Rent Review Date.

(e) The parties must try to agree on a new Annual Rent.

(f) If a new Annual Rent has not been agreed within 20 Business Days of the receipt of the Dispute Notice then the new Annual Rent may be determined either:

i. by one party giving written notice to the other requiring the new Annual Rent to be determined by arbitration in accordance with clause 31; or
5.2: MINISTRY OF EDUCATION LEASE

ii. if the parties agree, by registered valuers acting as experts and not as arbitrators as set out in steps (g) to (k) below.

(g) Within 10 Business Days of the agreement referred to in subclause (f)(ii) each party will appoint a valuer and give written notice of the appointment to the other party. If the party receiving a notice fails to appoint a valuer within the 10 Business Day period then the valuer appointed by the other party will determine the new Annual Rent and that determination will be binding on both parties.

(h) Within 10 Business Days of their appointments the two valuers must appoint an umpire who must be a registered valuer. If the valuers cannot agree on an umpire they must ask the president of the Property Institute of New Zealand Incorporated (or equivalent) to appoint an umpire.

(i) Once the umpire has been appointed the valuers must try to determine the new Annual Rent by agreement. If they fail to agree within 40 Business Days (time being of the essence) the Annual Rent will be determined by the umpire.

(j) Each party will have the opportunity to make written or verbal representations to the umpire within the period, and on the conditions, set by the umpire.

(k) When the rent has been determined or agreed, the umpire or valuers must give written notice of it to the parties. The parties will each pay their own valuer's costs and will share the umpire's costs equally between them.

(l) Once the new rent has been agreed or determined it will be the Annual Rent from the Rent Review Date or the date of the notifying party's notice if that notice is given later than 60 Business Days after the Rent Review Date. Any shortfall in, or overpayment of, Annual Rent from the Rent Review Date until the date of agreement or determination of that rent shall be paid by the Lessee or, as the case may be, repaid by the Lessor within 10 Business Days of that agreement or determination.

(m) The rent review provisions may be varied by the parties by agreement and must be recorded in a variation of this Lease.

7 Goods and Services Tax

The Lessee will pay the Lessor on demand the Goods and Services Tax (GST) payable by the Lessor in respect of the Annual Rent and other payments payable by the Lessee under this Lease.

8 Interest

If the Lessee fails to pay within 10 Business Days any amount payable to the Lessor under this Lease (including rent) the Lessor may, without prejudice to the Lessor’s other rights and remedies, charge the Lessee interest at the maximum rate of interest from time to time payable by the Lessor to its principal banker for an overdraft facility plus a margin of 4% per annum accruing on a daily basis from the due date for payment until the Lessee has paid the overdue amount. The Lessor is entitled to recover this interest as if it were rent in arrears.

9 Permitted Use of Land

9.1 The Land may be used for:

The Lessor may specify in writing no less than three (3) months prior to the expiry of the Lease that a change of any permitted activity under the relevant Regional and District Plans or use permitted under any resource consent held in respect of the Land is required, and the Lessee shall be obliged to obtain any such change.

12.2 Subject to clause 13.1, in the event the state of the Land is altered by any natural event including flood, earthquake, slip or erosion the Lessor agrees at its own cost to promptly address any hazards for the protection of occupants of the site and to remediate any hazards as soon as possible. The Lessee must notify the Lessor of any such event without delay.

13 Damage or Destruction

13.1 If as the result of a natural event the Land is destroyed, altered or damaged so significantly that it is no longer suitable for the Permitted Use, then the Term will immediately terminate, provided that any termination under this clause will be without prejudice to the rights of either party against the other.

13.2 If the Land is damaged or altered but not so significantly that it is no longer suitable for the Permitted Use, the parties may renegotiate in good faith the Annual Rent payable under this Lease and may agree to suspend the parties' obligations under this Lease for an agreed period.

14 Contamination

14.1 When this Lease ends the Lessee agrees to remedy any Contamination caused by the use of the Land by the Lessee or its agents during the Term of the Lease by restoring the Land to a standard reasonably fit for human habitation.

Any reasonable costs incurred by or on behalf of the Lessor in attending to the matters provided for in this clause 15.1 shall be met by the Lessee.

15.2 The Lessee must take all steps necessary to remove at the Lessor's request at the end of the Lease any easement or other burden on the title which may have been granted after the Start Date of the Lease.
15.3 The Lessor must not cancel, surrender or modify any easements or other similar rights or interests (whether registered or not) which are for the benefit of or appurtenant to the Land without the prior written consent of the Lessee.

16 Lessee's improvements

16.1 The parties acknowledge that despite any rule of law or equity to the contrary, the intention of the parties as recorded in the Deed of Settlement is that ownership of improvements whether or not fixed to the Land will remain unaffected by the sale of the Land, so that throughout the Term of this Lease all Lessee's Improvements will remain the Lessee's property.

16.2 The Lessee or its agent or sub-lessee or licensee may build or alter Lessee's Improvements without the Lessor's consent where necessary for, or incidental to, the Permitted Use. For the avoidance of doubt, this clause extends to Lessee's Improvements owned (wholly or partly) or occupied by third parties provided that all necessary consents are obtained.

16.3 The Lessee acknowledges that the Lessor has no maintenance obligations for any Lessee's Improvements.

16.4 [If any Lessee's Improvements are destroyed or damaged, the Lessee may decide whether or not to reinstate without consulting the Lessor and any insurance proceeds will be the Lessee's property.]

16.5 If the Land is subject to any mortgage or other charge at the Start Date, the Lessor will give the Lessee written acknowledgment of all existing mortgagees or chargeholders in the form prescribed in Schedule A Item 10 and executed by the mortgagees or chargeholders. The Lessor acknowledges that the Lessee is not required to execute this Lease until the provisions of this subclause have been fully satisfied.

16.6 If the Lessor proposes to grant any mortgage or charge after the Start Date it must first have required any proposed mortgagee or chargeholder to execute the written acknowledgment prescribed in Schedule A Item 11. The Lessor agrees not to grant any mortgage or charge until the provisions of this clause have been satisfied and to deliver executed originals of those acknowledgments to the Lessee within three Business Days from the date of their receipt by the Lessor.

16.7 The Lessee may demolish or remove any Lessee’s Improvements at any time during the Lease Term without the consent of the Lessor provided that the Lessee reinstates the Land to a tidy and safe condition which is free from Contamination in accordance with clause 14.

16.8 When this Lease ends the Lessee may remove any Lessee’s Improvements from the Land without the Lessor’s consent.

16.9 [The Lessee agrees that it has no claim of any kind against the Lessor in respect of any Lessee’s Improvements or other Lessee’s property left on the

16.10 [When this Lease ends, any Lessee’s Improvements remaining on the Land will be left in a clean, tidy and safe state.]

17 Rubbish Removal

The Lessee agrees to remove at its own cost all rubbish from the Land and to keep any rubbish bins tidy.

18 Signs

19.1 The Lessee is responsible for insuring or self insuring any Lessee’s Improvements on the Land.

19.2 The Lessee must ensure that any third party which is not a Crown Body permitted to occupy part of the Land has adequate insurance at its own cost against all public liability.

20 Fencing

20.1 The Lessee acknowledges that the Lessor is not obliged to build or maintain, or contribute towards the cost of, any boundary fence between the Land and any adjoining land.

20.2 If the Lessee considers it reasonably necessary for the purposes of the Permitted Use it may at its own cost fence the boundaries of the Land.

21 Quiet Enjoyment

21.2 The Lessor may not build on the Land or put any improvements on the Land without the prior written consent of the Lessee.

22 Assignment

22.1 Provided that the Land continues to be used for Education Purposes, the Lessee has the right to assign its interest under the Lease without the Lessor's consent to:

DOCUMENTS SCHEDULE

5.2: MINISTRY OF EDUCATION LEASE

22.2 If the Lessee wishes to assign the Lease to any party for any Permitted Use which is not an Education Purpose it must first seek the Lessor's consent (which will not be unreasonably withheld).

22.3 Without limiting clause 22.1, the Lessor agrees that the Lessee has the right to nominate any Department to exercise for Education Purposes the rights and obligations in respect of the Lessee's interest under this Lease and that this will not be an assignment for the purposes of clause 22 or a subletting for the purposes of clause 23.

22.4 If the Lessee proposes to enter into any assignment in which the Land will no longer be used for Education Purposes, the Lessor may, as a precondition to the grant of its consent, require the assignee to renegotiate in good faith the provisions of this Lease.

23 Subletting

23.1 Provided that the Land continues to be used for the Permitted Use, the Lessee has the right to sublet its interest under the Lease without the Lessor's consent to:

24 Occupancy by School Board of Trustees

24.1 The Lessee has the absolute right to sublet to or otherwise permit a school board of trustees to occupy the Land on terms and conditions set by the Lessee from time to time in accordance with the Education Act 1989 and otherwise consistent with this Lease.

24.2 The Lessor agrees that the covenant for quiet enjoyment contained in clause 21 extends to any board of trustees occupying the Land.

24.3 A board of trustees occupying the Land has the right to sublet or license any part of the Land or the Lessee's Improvements to any third party in accordance with the Education Act 1989 and any licence or lease to any third party existing at the Start Date of this Lease will continue in effect until that licence or lease ends.

25 Lessee Break Option

25.1 [Subject to clause 25.2, the Lessee may at any time end this Lease by giving not less than 6 months notice in writing to the Lessor. At the end of the notice period the Lease will end and the Lessee will pay a further 12 months rent to the Lessor, who agrees to accept that sum in full and final satisfaction of all claims, loss and damage which the Lessor could otherwise claim because the Lease has ended early, but without prejudice to any right or remedy available to the Lessor as a consequence of any breach of this Lease by the Lessee which occurred before the Lease ended.]

DOCUMENTS SCHEDULE

5.2: MINISTRY OF EDUCATION LEASE

25.2 For the initial term only, if the leases for more than 25% of the school sites or more than one school site, whichever is the greater, held or previously held with the Lessor have been ended by the Lessee at the date of the notice in writing in clause 25.1, then the Lessee will pay a further 24 months rent to the Lessor in addition to the 12 months specified in clause 25.1.

26 Breach

Despite anything else in this Lease, the Lessor agrees that, if the Lessee breaches any terms or conditions of this Lease, the Lessor must not in any circumstances cancel this Lease or re-enter into possession but may seek such other remedies which are lawfully available to it.

27 Notice of Breach

27.1 Despite anything expressed or implied in this Lease, the Lessor will not exercise its rights under clause 26 unless the Lessor has first given the Lessee written notice of the breach on which the Lessor relies and given the Lessee an opportunity to remedy the breach as provided below:

(a) by paying the Lessor all money necessary to remedy the breach within 20 Business Days of the notice; or

(b) by undertaking in writing to the Lessor within 20 Business Days of the notice to remedy the breach and then remedying it within a reasonable time; or

(c) by paying to the Lessor within 60 Business Days of the notice compensation to the reasonable satisfaction of the Lessor in respect of the breach having regard to the nature and extent of the breach.

27.2 If the Lessee remedies the breach in one of the ways set out above the Lessor will not be entitled to rely on the breach set out in the notice to the Lessee and this Lease will continue as if no such breach had occurred.

28 Renewal

28.1 If the Lessee has performed its obligations under this Lease the Lessor agrees that the Lease will automatically be renewed in perpetuity every 21 years beginning with the 21st anniversary of the Start Date for a further 21 year period unless the Lessee gives written notice to the Lessor at least six months before the expiry of the current Lease Term that it does not wish the Lease to be renewed.

28.2 The renewed lease will be on the terms and conditions expressed or implied in this Lease, including this right of renewal, provided that either party may initiate the rent review process in accordance with clause 3.

29.1 If at any time during the Lease Term the Lessor wishes to sell or transfer its interest in the Land the Lessor must within a reasonable time give written notice (Lessor's Notice) to the Lessee setting out the terms on which the Lessor wishes to sell the Land and offering to sell it to the Lessee on those terms.

29.3 If the Lessee does not serve the Lessee's Notice on the Lessor in accordance with clause 29.2 the Lessor may sell or transfer the Lessor's interest in the Land to any person on no more favourable terms than those previously offered to the Lessee.

29.4 If the Lessor wishes to offer more favourable terms for selling or transferring the Lessor's interest in the Land than the terms contained in the Lessor's Notice, the Lessor must first re-offer its interest in the Land to the Lessee on those terms by written notice to the Lessee and clauses 29.1–29.4 (inclusive) will apply and if the re-offer is made within six months of the Lessor's Notice the 60 Business Days period must be reduced to 30 Business Days.

31 Disputes

31.1 Any dispute or difference which may arise between the parties concerning the interpretation of this Lease or relating to any other matter arising under this Lease will be actively and in good faith negotiated by the parties with a view to a speedy resolution of such differences.

31.2 If the parties cannot resolve a dispute or difference within fifteen working days of any dispute or difference arising then, unless otherwise expressly provided in this Lease, they will without prejudice to any other right, explore whether such dispute or difference can be resolved by agreement between them using informal dispute resolution techniques such as mediation. The rules governing any such technique if adopted will be agreed between the parties or as selected by the organisation known as "LEADR" (Lawyers Engaged in Alternative Dispute Resolution).

(c) [If, by any statutory provision or regulation enacted during the Term of this Lease, the Lessee is obliged to transfer or assign management of the Land or any aspect of such management to a third party, the provisions of clause 4.01(a) will not apply to such a transfer or assignment and the Lessee will be entitled to transfer or assign its interest as Lessee under this Lease, or any aspect of management of the Land, to such a third party without further reference to the Lessor, who will be deemed to have approved such a transfer or assignment and will immediately sign any document necessary to give effect to such a transfer or assignment, if so requested by the Lessee.]

5.1 **Entry to Land:** Pursuant to section 217 of the Property Law Act 2007, and notwithstanding section 218 and clause 11 of Schedule 3 of that Act, the parties agree that the Lessee will permit the Lessor to enter the Land to inspect its condition, on no more than two occasions in each calendar year, and subject to compliance with the conditions of entry set out in this section 5.

5.2 **Conditions of Entry:** Entry under clause 5.1 is subject to:

   5.2.1 the Lessor providing the Lessee with at least 10 working days prior notice, in writing; and

   5.2.2 compliance with the Lessee's safety and access protocols including direct supervision at all times by an authorised representative of the Lessee;

   5.2.3 entry being limited to two persons named in the notice under clause 5.2(a), authorised by the Lessee, and approved in writing by the Lessee, in advance of entry.

5.3 **Lessor's Acknowledgment:** The Lessor acknowledges that the Land is a working prison and that the Prison Manager will have the discretion to impose such reasonable conditions on the Lessor's ability to enter the Land for inspection purposes under this section 5, as the Prison Manager thinks necessary or appropriate to the operational requirements of the Prison.

5.4 **Lessor Representations:** The Lessor may make representations to the Prison Manager regarding the times entry to the Land is requested for inspection purposes but the Lessor acknowledges that the Prison Manager may at his/her discretion upon the giving of either oral or written notice, vary any consent to entry given under this Lease if the Prison Manager deems this to be necessary or appropriate to the operational requirements of the Prison.
5.5 **Compliance with Statutes:** When exercising any right of entry under this section the Lessor will at all times comply with all statutes, ordinances, bylaws or other enactments affecting or relating to the Land including (but not limited to) the Corrections Act 2004 and the Corrections Regulations 2005, and with all instructions which may be given by the Prison Manager or any Authority, and will keep the Lessee indemnified in respect of any non-compliance by the Lessor.

5.6 **Prison Manager's Powers:** The Lessor acknowledges that in the event that the Prison ceases to have a Prison Manager, the Prison Manager's powers under this Lease may be exercised by any agent, employee or servant of the Lessee to whom a written authorisation in this regard is made or by any assignee under section 9.

6. **LESSEE'S IMPROVEMENTS**

6.1 **Lessor's Acknowledgement:** The Lessor acknowledges in relation to the Lessee's Improvements that:

6.1.1 Notwithstanding any rule of law or equity to the contrary, property in all Lessee's Improvements will remain with the Lessee during the Term of this Lease, and also at and from the expiry or earlier termination of the Lease irrespective of how such property is annexed to the Land, and may be dealt with by the Lessee without reference to the Lessor;

6.1.2 The Lessor does not have any rights of ownership or proprietary interest in any of the Lessee's Improvements, either during the Term of the Lease, or at the expiry or earlier termination of the Lease; and

6.1.3 When any Lessee's Improvements are destroyed or damaged, the decision whether to reinstate or not is solely with the Lessee and property in any insurance proceeds (if any) is also solely with the Lessee.

6.2 **Demolition:** The Lessee may demolish or remove any Lessee's Improvements from the Land at any time during the continuance of this Lease without the prior written consent or any other consent of the Lessor upon the condition that the Lessee reinstates the Land to a neat, tidy and safe condition after any such demolition or removal.

6.3 **Removal:** The parties acknowledge that:

6.3.1 The Lessee may, either prior to or on the expiry or earlier termination of this Lease, demolish or remove all Lessee's Improvements from the Land and will, if required by the Lessor on the expiry of the Term of this Lease, demolish or remove all Lessee's Improvements (or such lesser portion as may be acceptable to the Lessor) from the Land without being obliged to pay the Lessor any compensation for their demolition or removal, it being acknowledged by the Lessor that property in all Lessee's improvements remains with the Lessee and that no prior written consent or any other consent of the Lessor is required in respect of any such demolition or removal elected by the Lessee.

6.3.2 The Lessor will be deemed by the provisions of clause 6.3(a) to have granted to the Lessee a licence to enter the Land and demolish or remove the Lessee's Improvements and further that the provision will enure for the benefit of the Lessee notwithstanding the prior expiration of this Lease and will also bind any successor in title to the Lessor subsequent to the expiry of the Lease.

6.3.3 In the event that the Lessee demolishes or removes its Lessee's Improvements from the Land under clause 6.3(a), it will restore the Land to a neat, tidy and safe condition subsequent to any such demolition or removal.
6.3.4 The Lessor will do nothing to obstruct or otherwise impede the demolition or removal of any Lessee's Improvements from the Land at any time prior to the expiration or earlier termination of the Lease or within three months after this time and notwithstanding any rule of law or equity to the contrary.

6.3.5 The Lessee must continue to pay rent and outgoings under this Lease and comply with all other obligations under this Lease if the Lessee remains on the Land after the expiration or earlier termination of the Lease for the purposes of demolishing or removing the Lessee's Improvements under this clause.

7. DESIGNATION

7.1 Designation: The Lessor consents to the Lessee maintaining a designation under the Resource Management Act 1991 for the construction, operation and maintenance of the Permitted Uses and for any use consented to under clause 3.4 for the Term of this Lease, and further consents to the inclusion of any new or further designation for such purposes in any operative or proposed District Plan.

7.2 No Right to Object: The Lessor agrees that it will not:

7.2.1 Complain or object to, or cause others to complain or object to, or publicly comment on, any variation, change or modification to existing or future lawful uses of the Land and any designations or consents either in place at the Commencement Date or lawfully granted to the Lessee at a later date, provided the variations, changes or modifications are related to, or ancillary to, the Permitted Uses or any use consented to under clause 3.4;

7.2.2 Directly or indirectly lobby any Authority or other interested party, or directly or indirectly fund any objections, in relation to any variation, change or modification to existing or lawful future uses, designations or consents either in place at the Commencement Date or lawfully granted to the Lessee at a later date;

7.3 No Right to Object to Permitted Uses: The Lessor agrees that it will not complain or object to, or directly or indirectly fund any objection relating to, or otherwise publicly comment about, any activities on the Land in accordance with the Permitted Uses.

8. LESSEE'S ACKNOWLEDGEMENT

8.1 Lessee Uses Land at Own Risk: The Lessee agrees to occupy and use the Land at the Lessee's risk and releases to the fullest extent permitted by law the Lessor, its servants and agents from all claims and demands of any kind and from all liability which may arise in respect of any accident, damage or injury occurring to any personal property in or about the Land, except when this is caused by the wilful or reckless act of the Lessor or persons acting under the control of the Lessor.

9. SUBLETTING AND ASSIGNMENT

9.1 Subletting and Assignment: Subject to clauses 9.2 and 9.3, the Lessee must not sublet, assign or otherwise part with the possession of the Land or any part of the Land without first obtaining the written consent of the Lessor which the Lessor will give if the following conditions are fulfilled:

9.1.1 The Lessee proves to the satisfaction of the Lessor that the proposed sublessee or assignee is (or in the case of a company the shareholders of the company of the proposed assignee or sublessee are) respectable, responsible and has the financial resources to meet the commitments under any sublease or lease.
9.1.2 All rent and other moneys payable under this Lease have been paid and there is no subsisting breach of any of the Lessee's covenants.

9.1.3 The Lessee pays the proper costs and disbursements in respect of the approval or preparation of any deed of covenant or guarantee and (if appropriate) all fees and charges payable in respect of any reasonable enquiries made by or on behalf of the Lessor concerning any proposed sublessee or assignee.

9.1.4 The Lessee will, at the Lessee's own expense, procure the execution by an assignee of a deed of covenant with the Lessor that the assignee will, at all times pay the rent at the times and in the manner provided in this Lease and will observe and perform all the covenants and conditions contained in this Lease.

9.1.5 Where the assignee is a company, the Lessor may require the deed of covenant referred to in paragraph (d) above to be executed by that company and also by such directors and/or shareholders of that company as the Lessor requires, as joint and several guarantors, upon the terms set out in the then current edition of the Auckland District Law Society form of Standard Lease for Commercial Premises or if such lease is no longer published, then upon such terms as are commonly used in leases of commercial premises.

9.2 Transfer of Operation, Management, or Ownership: If, by any statutory provision or regulation, the Lessee is obliged or authorised to:

9.2.1 enter into an agreement to transfer or assign the operation, management, or ownership of the Prison and/or the Lessee's Improvements or any aspect of operation, management, or ownership of the Prison and/or the Lessee's Improvements to a third party; or

9.2.2 enter into a public/private partnership with a third party relating to the funding and/or operation, management or ownership of the Prison and/or the Lessee's Improvements or any aspect of the funding, operation, management, or ownership of the Prison and/or the Lessee's Improvements:

the provisions of clause 9.1 will not apply and the Lessee will be entitled to transfer or assign its interest as Lessee under this Lease, or any aspect of the operation, management or ownership of the Prison and/or the Lessee's Improvements, to such a third party without further reference to the Lessor, who will be deemed to have approved such a transfer or assignment and will immediately sign any document necessary to give effect to such a transfer or assignment, if so requested by the Lessee.

9.3 Breach of Covenant or Condition by Assignee: If the Crown (as Lessee, acting by and through the Department of Corrections) transfers or assigns its interest as Lessee under this Lease to a third party under clause 9.2, and the assignee breaches any covenant or condition imposed on the Lessee under this Lease (including, without limitation, a covenant or condition to pay rent), the following provisions will apply:

9.3.1 the Lessor (without prejudice to any rights or remedies available to it against the Assignee, whether under this Lease or otherwise), may notify the Crown in writing of the breach by the Assignee (Notice of Breach); and

9.3.2 as soon as practicable after receipt of the Notice of Breach [Designation of Senior Representative] representing the Crown, and [Designation of Senior Representative] representing the Lessor, will meet in good faith to discuss the Assignee's breach and, if possible, to agree upon a process for the Crown and the Lessor to work together to resolve all matters relating to the Assignee's breach in a manner that minimises any effect of that breach on the Lessor.
9.4 Transfer to a Government Agency: The Lessee may transfer, assign or sublet its interest as Lessee under this Lease to any Government Agency without further reference to the Lessor, who will be deemed to have approved such a transfer, assignment or sublease and will immediately sign any document necessary to give effect to such a transfer, assignment or sublease, if so requested by the Lessee.

9.5 Subletting: Where the Lessor consents to a subletting, the consent will extend only to the subletting and, notwithstanding anything contained or implied in the sublease, the consent will not permit any sublessee to deal with the sublease in any way in which the Lessee is restrained from dealing without consent under this Lease.

10. RENEWAL

10.1 Exercise of Perpetual Right of Renewal: If the Lessee has observed and performed its covenants under this Lease and has given written notice to renew the Lease at least twelve calendar months prior to the end of the initial term of 50 years (time not being of the essence of such notice) then the Lessor will at the cost of the Lessee renew this Lease for the next further term from the renewal date as follows:

10.1.1 The annual rent for the first five years will be agreed upon or failing agreement will be determined in accordance with clause 11 as if the renewal date is a review date;

10.1.2 Otherwise the renewed lease will be on and subject to the covenants and agreements expressed or implied in this Lease including this covenant for renewal.

11. RENT REVIEW

11.1 Annual Rent on Review: The Annual Rent payable from any review date will be determined in accordance with clauses 11.2 to 11.7 plus GST.

11.2 Commencement of Review: The Lessor will commence a review by not earlier than three (3) months prior to a review date giving written notice to the Lessee specifying the sum considered by the Lessor to be the market rental as at that review date;

11.3 Lessee’s Notice: If, by written notice to the Lessor within twenty eight (28) days after receipt of the Lessor’s notice, the Lessee disputes that the proposed market rental is the market rental, then the market rental will be determined in accordance with the provisions of clause 11.7;

11.4 Application of Reviewed Annual Rent: The Annual Rent so determined or accepted will be the annual rent from the review date or the date of the Lessor’s notice if such notice is given later than three (3) months after the review date;

11.5 Payment of Annual Rent Pending Determination: Pending the determination of the new Annual Rent, the Lessee will pay the annual rent based on the market rental specified in the Lessor’s notice. Upon determination of the new Annual Rent, an appropriate adjustment will be made;

11.6 Documenting New Annual Rent: The new Annual Rent at the option of either party may be recorded in a variation of this Lease, the cost of which will be payable by the Lessee.

11.7 Process to Determine New Annual Rent: Immediately following receipt by the Lessor of the Lessee’s notice, under clause 11.3 the parties will endeavour to agree upon the market rental but if agreement is not reached within twenty eight (28) days, then the market rental for the Land will be determined by registered valuers acting as experts and not as arbitrators as follows:

11.7.1 Each party will appoint a valuer and give written notice of the appointment to the other party within twenty eight (28) days of the parties agreeing to so determine the market rental;
### 11.7.2
The valuers appointed before commencing their determination will appoint an umpire who will be a registered valuer or Solicitor of the High Court. In the event the valuers fail to agree upon an umpire, the appointment of an umpire will be made by the President of the Arbitrators and Mediators Institute of New Zealand Incorporated on the application of either of the valuers;

### 11.7.3
The valuers will determine the market rental of the Land as at the review date;

### 11.7.4
Each party will be given the opportunity to make written or verbal representations to the valuers or the umpire subject to such reasonable time or other limits as the valuers or the umpire may prescribe and they will have regard to any such representations but not be bound by them;

When the market rental has been determined, the umpire or valuers will give written notice of the new market rental to the parties. Any umpire notice will provide how the costs of the determination will be apportioned and will be binding on the parties. Where the Annual Rent is determined by the parties' valuers and not the umpire, the parties will pay their own costs;

### 12. RE-ENTRY

12.1 **No Right of Re-Entry:** Notwithstanding section 218 and clause 12 of Schedule 3 of the Property Law Act 2007, and pursuant to section 217 of that Act, and due to the nature of the Permitted Uses and the need to ensure the ongoing operational integrity and security of the Prison, the Lessor agrees that it may not cancel the Lease because of the breach of any covenant or condition by the Lessee (including a covenant or condition to pay rent) while the Lessee remains Her Majesty the Queen and the Permitted Use continues to include a prison as defined in section 3 of the Corrections Act 2004. For the avoidance of doubt, if the Lease is assigned to a third party under clause 9.1 and the Permitted Use is changed to a use that does not include a prison, the rights and obligations in Part 4, subsection 6 of the Property Law Act 2007 will apply to the Lease from the effective date of assignment and change of Permitted Use.

### 13. LESSEE’S RIGHT OF EARLY TERMINATION

13.1 **Lessee’s Ability to Terminate:** The Lessee may, in its sole discretion and without giving any reasons, terminate this Lease by providing no less than twenty-four months' notice in writing at any time to the Lessor.

13.2 **Right to Terminate Without Prejudice to Rights Accrued:** This Lease and the parties' respective rights and obligations under this Lease will cease from the effective date of termination, but without prejudice to any rights which have accrued up to the date of termination, including (without limitation) the Lessee's right to remove any Lessee's Improvements under clause 6.3.

### 14. LESSEE’S RIGHT OF PARTIAL SURRENDER

14.1 **Exercise of Partial Surrender:** The Lessee may, in its sole and absolute discretion and without giving any reasons, partially surrender and convey to the Lessor, this Lease, as it relates to any part of the Land (Surrender Land) by providing no less than six months' notice (Surrender Notice) in writing at any time to the Lessor. The Lessor must accept any partial surrender of the Lease under this clause.

14.2 **Surrender Notice:** A Surrender Notice issued under clause 14.1 must clearly set out the terms and conditions of the partial surrender and must clearly identify the Surrender Land.

14.3 **Effective Date of Partial Surrender:** The partial surrender will be effective from the date that is six months from the date of receipt of the Surrender Notice by the Lessor or such
other later date as may be specified in the Surrender Notice (Surrender Date).

14.4 Merger with Residual Estate: The residue of the Term of this Lease as it applies to the Surrender Land will merge with the Lessor's residual estate and be extinguished from the Surrender Date but without prejudice to either party's rights arising in relation to the Surrender Land before the Surrender Date.

14.5 Tasks and Actions Following Issue and Receipt of a Surrender Notice: Following the issue and receipt of a Surrender Notice under clause 14.1, the Lessor and Lessee will complete all tasks and actions necessary to give legal effect to the partial surrender. In particular, the parties will meet as soon as practicable to implement any steps required to give legal effect to the partial surrender which will include, without limitation:

14.5.1 establishing the adjusted Annual Rent payable under this Lease from the Surrender Date, which will be a pro-rated proportion of the Annual Rent payable at the date of the Surrender Notice, adjusted to reflect the proportion that the Surrender Land bears to the total area of the Land; and

14.5.2 the preparation and execution of a deed to be registered against the Computer Freehold Register for the Land, to record the terms of the partial surrender and to reflect the adjusted Annual Rent and otherwise set out the legal requirements of the parties and roles and responsibilities to give legal effect to the partial surrender, including, without limitation, survey and re-definition of the land remaining subject to this Lease, subdivision consent and issue of a replacement leasehold title (as applicable).

14.6 Costs and no Compensation: The parties must pay their own costs in relation to any actions or tasks required to give effect to this clause 14 and otherwise to give legal effect to any partial surrender. The Lessor will not be entitled to claim from the Lessee any damages or compensation arising in any way, either directly or indirectly, from any partial surrender under this clause 14.

14.7 Right to Surrender Without Prejudice to Rights Accrued: Any partial surrender under this clause 24 will be without prejudice to any rights which have accrued up to the Surrender Date, including (without limitation) the Lessee's right to remove any Lessee's Improvements from the Surrender Land under clause 6.3.

15. INSURANCE

15.1 Lessee Responsible for Insurance: The Lessee will be responsible for insuring any Lessee's Improvements on the Land and may elect to arrange and maintain any such insurance that it considers appropriate, at its sole discretion, and without reference to the Lessor.

15.2 Reinstatement at Lessee's Discretion: If any of the Lessee's Improvements are damaged or destroyed, then it will be the sole responsibility of the Lessee to decide whether to effect reinstatement or not.

15.3 Public Liability Insurance: The Lessor and Lessee must each keep a public liability insurance policy applicable to the Land and the Permitted Use current throughout the Term. The policies must provide cover for:

(a) Set Amount: the amount of $2,000,000.00 (being the amount which may be paid out arising from any single accident or event); and

(b) Escalation: any reasonable escalation in the policy limit, required by either party, subject to one month's notice, and mutual agreement.
### 5.4: DEPARTMENT OF CORRECTIONS LEASE

#### 15.4 Particulars of Insurance Policies:

- **Recognition of Interest Insured**: recognise the Lessor and Lessee for their respective rights and interests; and
- **Approved insurer Rating**: be with an insurer carrying a rating of no less than A- Standard & Poors/B+ A M Best.

#### 15.5 Evidence of Insurance:

Each party must, if required, produce a certificate of insurance as evidence that the insurances required by this clause have been, and continue to be, in effect.

### 16. RIGHT OF FIRST REFUSAL FOR LESSOR’S INTEREST

#### 16.1 Sale of Premises:

If at any time before the expiry or earlier termination of the Term, the Lessor:

- decides to sell or transfer the Lessor’s interest in the Land; or
- receives an offer to purchase the Lessor’s interest in the Land and wishes to accept that offer;

the Lessor must immediately give written notice (Lessor’s Notice) to the Lessee setting out the terms on which the Lessor wishes to sell the Land, or the terms of the offer received (as the case may be). In each case, the Lessor’s Notice must include an offer in the form of an agreement for sale and purchase in the then most recent form approved by the Real Estate Institute of New Zealand and by the Auckland District Law Society, modified as set out in clause 16.8.

#### 16.2 Exercise of Option:

The Lessee will have ninety (90) Working Days after and excluding the date of receipt of the Lessor’s Notice (time being of the essence) in which to exercise the Lessee’s right to purchase the Land, by serving written notice on the Lessor (Lessee’s Notice) accepting the offer contained in the Lessor’s Notice.

#### 16.3 Lapse of Option:

if the Lessee does not serve the Lessee’s Notice on the Lessor in accordance with clause 16.2, then the Lessor may sell or transfer the Lessor’s interest in the Land to any other person on no more favourable terms than those previously offered to the Lessee.

#### 16.4 Re-offer on Better Terms:

If the Lessor wishes, or agrees, to offer more favourable terms for selling or transfer of the Lessor’s interest in the Land than the terms contained in the Lessor’s Notice, the Lessor must first re-offer its interest in the Land to the Lessee on those terms, by written notice to the Lessee (Lessor’s Second Notice). This offer must comprise the agreement for sale and purchase in the then most recent form approved by the Real Estate Institute of New Zealand and by the Auckland District Law Society, modified as set out in clause 16.8.

#### 16.5 Acceptance of Second Offer:

The Lessee will have 40 Working Days after and excluding the date of receipt of the Lessor’s Second Notice (time being of the essence) in which to exercise the Lessee’s right to purchase the Lessor’s interest in the Land on those more favourable terms, by serving written notice on the Lessor (Lessee’s Second Notice) accepting the offer contained in the Lessor’s Second Notice.

#### 16.6 Lapse of Second Option:

If the Lessee does not serve the Lessee’s Second Notice on the Lessor in accordance with clause 16.5, then the Lessor may sell the Lessor’s interest in the Land to any other person (including the party who originally made the offer under clause 16.1.(b), if applicable) on any terms the Lessor thinks fit.
### 16.7 Formation of Contract:
On the Lessee serving a valid Lessee's Notice or Lessee's Second Notice (as the case may be), the parties will be taken to have entered into a contract for the sale and purchase of the Lessor's interest in the Land on the terms contained in the Lessor's Notice or the Lessor's Second Notice (as the case may be) (Contract).

### 16.8 Terms of Contract:
The terms of the Contract will be modified as follows:

1. **Title:** the Lessee will be deemed to have accepted the title to the Lessor's interest in the Land;
2. **No Requisition:** the provisions of the Contract under which the Lessee has the right to requisition or object to the title to the Lessor's interest in the Land will not apply; and
3. **Completion:** the Lessee will not be required to complete the purchase earlier than three months from the date of service of the Lessee's Notice or Lessee's Second Notice (as the case may be).

### 17. Breach of Covenant by Lessor

1. **Acknowledgement of Significance of Prison:** The Lessor and Lessee acknowledge that the Prison operated on the Land has great significance to the Crown and is a key element of the Crown's law and order function. The Lessor and Lessee agree that the provisions of this clause 17 are intended to reflect this significance and to ensure that the Lessee is able to carry out the Permitted Uses effectively on the Land. For the avoidance of doubt, the Lessor and the Lessee agree that, notwithstanding the definition of "Lessee" in clause 1.1, for the purposes of clause 17, the definition of "Lessee" is limited to Her Majesty the Queen, and excludes any third party.

2. **Consequences of Breach of Covenant by Lessor:** If, in the opinion of the Lessee (acting reasonably) the Lessee is unable to carry out the Permitted Uses on the Land, as a direct result of a breach of the Lessor's covenants and obligations under clauses 4.1, 4.2 or 4.3 of this Lease, the Lessee may, by notice in writing to the Lessor, specify the breach on which the notice is based and require the Lessor to remedy the breach.

3. **Failure to Remedy:** If, within 20 Working Days after receipt of a notice from the Lessee under clause 17.2 the Lessor fails to remedy the breach to the Lessee's satisfaction (acting reasonably) the Lessee, without prejudice to any other rights that it may have under this Lease or at common law against the Lessor, may suspend payment of the Annual Rent payable under this Lease until the breach is remedied or the dispute is resolved, without liability for interest under clause 24 or any other claim.

4. **Effect of Suspension of Rent:** The suspension of payment of Annual Rent under clause 17.3 by the Lessee will not in any way affect the continuing obligations of the Lessor or the Lessee under this Lease. Suspension of payment of Annual Rent may continue at the Lessee's sole discretion until the breach has been remedied or dispute has been resolved.

5. **Prior Notice of intention to Reacquire Land:** If, after following the process set out in clauses 17.2 and 17.3, the Lessor has failed to remedy the breach to the Lessee's satisfaction (acting reasonably), the Lessee may provide written notice to the Lessor of its intention to reacquire the fee simple interest in the Land under clause 17.8 (Reacquisition Notice).

6. **Reference to Senior Representatives:** Within [10] Working Days of receipt of a Reacquisition Notice, the parties must refer the Lessee's intention to reacquire the fee simple interest in the Land to [ ] representing the Lessor, and the [ ] representing the Lessee and [ ] must meet as soon as practicable to jointly consider and, if possible agree, whether the Lessee should reacquire...
the fee simple interest in the Land.

17.7 **Consequences of Failure to Reach Agreement:** If there is no joint agreement reached by the [ ] and the [ ] as to whether the Lessee should reacquire the fee simple interest in the Land within a further period of [30] Working Days from their initial meeting to consider the issue, and the breach has not otherwise been resolved, then the Lessee may exercise the right of reacquisition in accordance with clauses 16.8 and 16.9.

17.8 **Lessee's Right of Reacquisition:** If, after following the process set out in clauses 17.2, 17.3, 17.5, 17.6, and 17.7 the Lessor has failed to remedy the breach to the Lessee's satisfaction (acting reasonably) the Lessee may, by notice in writing to the Lessor from the Minister of Corrections, elect to reacquire the fee simple interest in the Land.

17.9 **Terms of Reacquisition:** The terms of any reacquisition of the fee simple interest in the Land under clause 17.5 will be as follows:

17.9.1 **Title:** the Lessee will be deemed to have accepted the title to the Lessor's interest in the Land;

17.9.2 **No Requisition:** the provisions of the Contract under which the Lessee has the right to requisition or object to the title to the Lessor's interest in the Land will not apply; and

17.9.3 **Completion:** the Lessee will not be required to complete the purchase earlier than three months from the date of service of notice under clause 17.5; and

17.9.4 **Purchase Price:** the Purchase Price payable will be the purchase price paid by the Lessor when it acquired the Land, increased by an amount which is commensurate with any increase in the CPI over the Term of the Lease from the Commencement Date, up until the time of reacquisition.

18. **ENTIRE AGREEMENT**

18.1 **Entire Agreement:** This Lease constitutes the entire and complete agreement between the parties in relation to the lease of the Land and no variation will be effective or binding unless it is recorded in writing and executed in the same manner as this Lease.

19. **DIFFERENCES AND DISPUTES**

19.1 **Disputes:** If a dispute or difference arises between the Lessor and the Lessee (other than a dispute or difference to which clause 17 applies), the dispute must be resolved in accordance with the provisions of this clause.

19.2 **Resolution of Disputes:** Nothing in this clause prevents:

19.2.1 A party seeking urgent injunctive or declaratory relief from a court in connection with a dispute without first having attempted to negotiate or settle the dispute in accordance with this clause;

19.2.2 The parties meeting at any time to seek to resolve a dispute.

19.3 **Notice of Dispute:** If the Lessor or the Lessee becomes aware of a dispute between the Lessor and the Lessee, that party must notify the other party of the existence and nature of the dispute by serving on the other party a notice setting out detailed particulars of the dispute ("Notice of Dispute").

19.4 **Request for Further Information:** A party who receives a Notice of Dispute under clause 19.3 may, within five (5) Working Days after such receipt, on reasonable grounds, require the party who served the Notice of Dispute to provide further or more detailed information.
relating to the dispute.

19.5 **Negotiation:** Upon receipt of a Notice of Dispute and, if applicable, the provision of further or more detailed information in relation to the dispute, the parties must negotiate to resolve the dispute as follows:

19.5.1 **Meeting of Representatives:** One or more representatives of each party will meet, within ten (10) Working Days of the receipt of the Notice of Dispute or the further information, if any (whichever is later) to discuss and attempt to resolve the dispute; and

19.5.2 **Meeting of Chief Executives:** If those representatives do not resolve the dispute within five (5) Working Days of their first meeting, then within ten (10) Working Days of that first meeting, the Chief Executives or Chairpersons of the parties must meet to discuss and attempt to resolve the dispute.

19.6 **Appointment of a Mediator:** If a dispute is not resolved within ten (10) Working Days of the meeting of the Chief Executives or Chairpersons of the parties under clause 19.5(b), then the dispute must be referred to a mediator. The parties must agree upon the selection and appointment of a mediator who will act in respect of the dispute.

19.7 **Failure to Appoint Mediator:** If no agreement is reached on the selection and appointment of a mediator within fifteen (15) Working Days of the meeting of the Chief Executives or Chairpersons under clause 19.5(b), then either party may request the president of the Arbitrators and Mediators Institute of New Zealand Incorporated to appoint a mediator.

19.8 **Initial Mediation Meeting:** The parties must as soon as practicable after notification of the dispute to the mediator, meet in the presence of the mediator to:

19.8.1 Identify the subject matter of the dispute;

19.8.2 Identify the provisions of this Lease relevant to the dispute;

19.8.3 Discuss each other's position in relation to the dispute;

19.8.4 Listen to any comments made by the mediator; and,

19.8.5 Attempt to resolve the dispute by mutual agreement.

19.9 **Mediation:** The mediation will be conducted by the mediator at a time, place and in a manner agreed between the parties or otherwise determined by the mediator.
