9. PREVIOUS ENGAGEMENT WITH THE CROWN

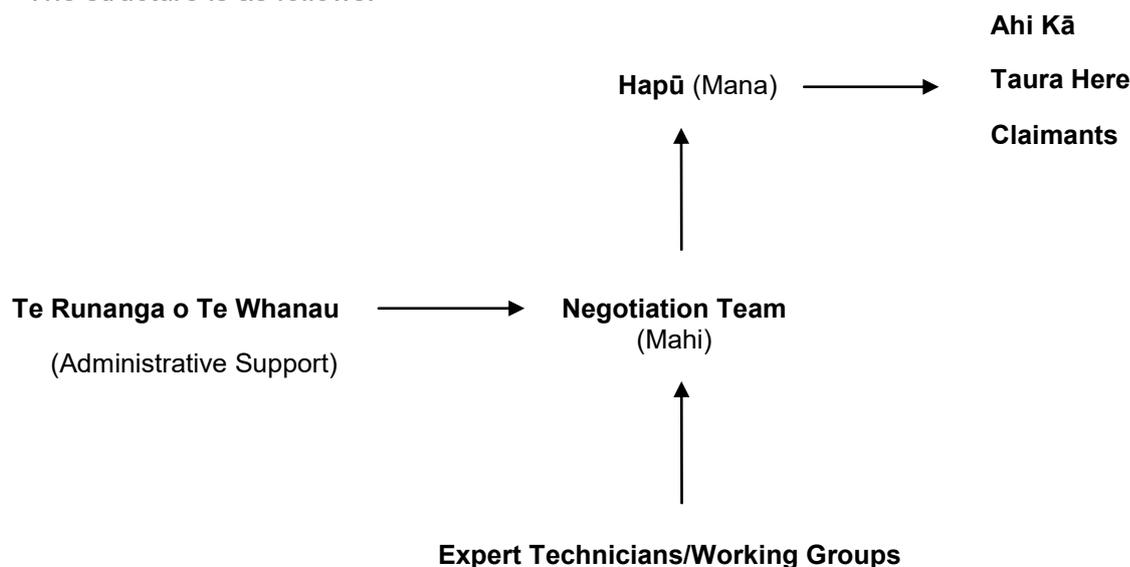

Te Rūnanga o Te Whānau (**Te Rūnanga**) (on behalf of Te Whānau a Apanui) commenced foreshore and seabed discussions with the Crown in early 2004. Subsequently, Rikirangi Gage and Dayle Takitumu were mandated by the hapū of Te Whānau a Apanui to negotiate the settlement of Te Whānau a Apanui foreshore and seabed, and historic Treaty settlement claims.

In respect of the foreshore and seabed matters, these discussions led to a signed Terms of Negotiation document in November 2004, a Statement of Position and Intent in 2005 and a Heads of Agreement signed in February 2008.

We also note that Te Rūnanga are a Recognised Iwi Organisation for the purpose of receiving fisheries assets under the Māori Fisheries Act 2004.

10. STRUCTURE/MANDATED BODY

The structure is as follows:

The hapū of Te Whānau a Apanui

Mana and ultimate decision-making power resides with the hapū of Te Whānau a Apanui. The hapū of Te Whānau a Apanui will directly mandate the Te Whānau a Apanui Negotiation Team (**Negotiation Team**) to negotiate with the Crown.

The hapū of Te Whānau a Apanui comprise:

- nga ahi ka (those that live in the Te Whānau a Apanui rohe and keep the home fires burning);
- nga taura here (those Te Whānau a Apanui members that live outside of the Te Whānau a Apanui rohe); and
- the Wai claimants.

The Te Whānau a Apanui Negotiation Team

The Negotiation Team will be the group mandated to represent Te Whānau a Apanui in Treaty settlement negotiations with the Crown. The Negotiation Team will be responsible for carrying out the mahi for negotiations, but will at all times be accountable to the hapū of Te Whānau a Apanui. The Negotiation Team is a not a legal entity.

The Negotiation Team will also be supported substantively by expert technicians and working groups that will assist and advise the Negotiation Team in respect of particular matters and issues.

Te Rūnanga o Te Whānau a Apanui

Te Rūnanga o Te Whānau a Apanui (**Te Rūnanga**) will provide the Negotiation Team with administrative assistance and will be accountable for applying for and managing all claimant funding. Te Rūnanga is a Charitable Trust established under the Charitable Trusts Act 1967. The purpose of the Te Rūnanga is to advance the interests of Te Whānau a Apanui iwi and its hapū individually and collectively. The Board members of Te Rūnanga are hapū representatives. The members are duly appointed at hapū hui on an annual basis.

Te Whānau a Maruhaeremuri and Te Whānau a Te Ehutu do not have hapū representatives on the Board of Te Rūnanga. However, Te Rūnanga are continuing to engage with these two hapū to join Te Rūnanga. Further, Te Whānau a Maruhaeremuri and Te Whānau a Te Ehutu will be included in communications and will be kept informed by mutually agreed processes.

11. THE NEGOTIATION TEAM

Mana resides with the hapū of Te Whānau a Apanui. Hapū have the authority to appoint and/or remove negotiators.

Appointing and removing negotiators:

- Up to 3 Negotiators will be appointed to represent hapū.
- Rikirangi Gage and Dayle Takitumu (as the then solicitor for Te Whānau a Apanui) were previously mandated by the hapū of Te Whānau a Apanui to negotiate the settlement of Te Whānau a Apanui foreshore and seabed and historical Treaty of Waitangi claims.
- Adopting this same model it is proposed that Rikirangi Gage be appointed the Negotiator for Te Whānau a Apanui with the balance of the Negotiation Team comprising the current solicitors for Te Whānau a Apanui, Matanuku Mahuika and Natalie Coates of Kahui Legal.
- Should a hapū of Te Whānau a Apanui wish to remove/replace a Negotiator, or any members of the Negotiation Team, then they are entitled to do so. However, the intention is that this should only occur where there are reasons for making the change that are of a serious nature and, if required, those reasons are supported by evidence.
- If a hapū (or multiple hapū) indicate that such reasons exists and they do not have confidence in a Negotiator or a member or members of the Negotiation Team, then an initial hui will be held with the Negotiation Team to seek to resolve the matter.
- If after this initial hui, the hapū still wants to remove/replace a Negotiator or member of the Negotiation Team, this matter will be put to a hui-a-iwi for resolution so that the matter can be heard publicly and openly, and, if possible, resolved in accordance with tikanga of Te Whānau a Apanui.
- The decision of the hapū made following this process shall be final and binding on all parties.

12. ACCOUNTABILITY

The Negotiation Team will:

- Be contracted by the hapū of Te Whānau a Apanui to negotiate a proposed settlement of Te Whānau a Apanui's claim against the Crown (which will be subject to iwi ratification). The negotiators will be bound by specific terms of reference agreed by the hapū of Te Whānau a Apanui.
- Be held accountable to the hapū of Te Whānau a Apanui and will report to the hapū of Te Whānau a Apanui on a regular basis.
- Be subject to regular review to ensure all contractual terms are met.

The Negotiation Team will further:

- Be accountable to Te Whānau ā Apanui hapū.
- Act in the best interests of all Te Whānau a Apanui hapū.
- Comply with an agreed Communications Strategy which includes: regular written updates; minimum hui requirements; email and social media updates. The Communications Strategy will be developed with hapū input.
- Report to hapū (through open hapū hui) at least quarterly or as required to ensure the hapū are well informed, the mandate is kept current, and the hapū are able to provide input into the negotiations.
- Make decisions by consensus (although mana and ultimate decision-making power resides with the hapū of Te Whānau a Apanui).
- Oversee and coordinate all aspects of the settlement negotiations including contracting in expertise where relevant.
- Guide and make strategic decisions relating to the settlement negotiations process including co-ordinating the hapū sign-off of key milestone documents including the Terms of Negotiation, Agreement in Principle, Deed of Settlement.
- Be responsible for working through the detail of the negotiations with the appointed Chief Crown Negotiator and Office of Treaty Settlements during the negotiation phase.

Financial accountability

Financial management, monitoring and reporting on all financial matters will be undertaken by Te Rūnanga.

13. AMENDMENT OR WITHDRAWAL OF MANDATE FROM THE MANDATED BODY

Mana resides with the hapū of Te Whānau a Apanui. Hapū therefore have the authority to remove or amend the Negotiation Team's mandate.

Should a hapū of Te Whānau a Apanui wish to remove or amend the Negotiation Team's mandate, the hapū have agreed that the reasons must be deemed to be of a very serious nature and supported by factual evidence.

If a hapū (or multiple hapū) indicate that such an issue exists and they do not have confidence in the Negotiation Team, then an initial hui will be held with the Negotiation Team to seek to resolve the matter.

If after this initial hui, the hapū still wants to remove or amend the Negotiation Team's mandate, this matter will be put to a hui-a-iwi for resolution so that the matter is heard openly and publicly and if possible, resolved in accordance with the tikanga of Te Whānau a Apanui.

Should the decision to remove or amend the Negotiation Team's mandate be supported following the hui-a-iwi the Negotiations Team will step down and be replaced in accordance

with the decision at the hui-a-iwi. Prior to standing down, the Negotiations Team will consult with the Crown to discuss and agree transition arrangements and next step.

14. TRIBAL REGISTER

Te Whānau a Apanui's tribal process and decision-making emanates from our hapū. As such, Te Whānau ā Apanui hapū have maintained a comprehensive distribution list of their hapū for the dissemination and collection of information. This will be updated as part of the communication strategy. Information hui will be held regularly throughout the negotiations – both within Te Whānau a Apanui traditional territory and throughout NZ (and potentially selected parts of Australia) and will be advertised widely. Social media will also be used as a means of disseminating information and obtaining input from the broader Whānau a Apanui membership.

The hapū chairs do not support any addition to the Te Whānau ā Apanui Mandated negotiation team, namely Rikirangi Gage (Te Whānau ā Apanui); Natalie Coates and Matanuku Mahuika (of Kāhui Legal).

It was also unanimously resolved:

To create a Hapū Chairs forum that meets with the negotiation team on a monthly basis to ensure all the hapū are kept informed each step of the way on our Treaty negotiations. To allow hapū to have access to the negotiation team to provide feedback and issues that may arise at a hapū level. To share information.

A copy of the minutes of this meeting is attached (**Appendix I**).

In summary, all of the hapū of Te Whānau a Apanui are supportive of Te Whānau a Apanui entering into negotiations with the Crown. The outcome of the hapū mandate hui was that 9 of the hapū supported the mandate of the Te Whānau a Apanui Negotiating Team without qualification. At a hapū chairs meeting that was subsequently held, all of the hapū representatives present, unanimously resolved to support the mandate of the Te Whānau a Apanui Negotiation Team.
