Tightening the lashings of the waka

This document, Ruruku Whakatupua - Te Tānekaha, contains agreed amendments to certain provisions in Ruruku Whakatupua – Te Mana o Te Awa Tupua and Ruruku Whakatupua – Te Mana o Te Iwi o Whanganui to enable the key elements of Ruruku Whakatupua to be given legal effect through the Te Awa Tupua Legislation.

1. NGĀ KUPU WHAKATAKI

Background

- 1.1 Ruruku Whakatupua was signed on 5 August 2014 and is the deed of settlement between the Whanganui Iwi and the Crown comprising:
 - 1.1.1 Ruruku Whakatupua - Te Mana o Te Iwi o Whanganui; and
 - 1.1.2 Ruruku Whakatupua - Te Mana o Te Awa Tupua.
- 1.2 The purpose of Ruruku Whakatupua is to:
 - 1.2.1 provide a new framework for Te Awa Tupua; and
 - 1.2.2 settle the historical Treaty of Waitangi claims of Whanganui Iwi in relation to the Whanganui River.
- 1.3 Ngā Tāngata Tiaki o Whanganui was established by deed of trust dated 4 August 2014 as the post-settlement governance entity for Whanganui Iwi for the purpose of the settlement encompassed by Ruruku Whakatupua.
- 1.4 By deed of covenant dated 5 August 2014, Ngā Tāngata Tiaki o Whanganui covenanted with the Crown that from the date of that deed Ngā Tāngata Tiaki o Whanganui:
 - 1.4.1 is a party to Ruruku Whakatupua as if it had been named as a party to Ruruku Whakatupua and had executed it;
 - 1.4.2 will observe and perform all the obligations of Ngā Tāngata Tiaki o Whanganui under Ruruku Whakatupua; and
 - 1.4.3 is bound by the terms of Ruruku Whakatupua.
- 1.5 It was agreed and reflected in Ruruku Whakatupua that, following the signing of Ruruku Whakatupua:
 - 1.5.1 the parties would continue to work together in relation to implementation of Ruruku Whakatupua;
 - 1.5.2 a draft Te Awa Tupua bill providing for all matters for which legislation is required to give effect to Ruruku Whakatupua would be prepared for introduction;
 - 1.5.3 the draft Te Awa Tupua bill would be agreed by Ngā Tāngata Tiaki o Whanganui and the Crown.

- 1.6 Since the signing of Ruruku Whakatupua, the parties have continued to work together in relation to implementation matters and the preparation of the Te Awa Tupua bill.
- 1.7 During this process, some issues have been identified which have required certain aspects of the agreements reached in Ruruku Whakatupua to be refined, supplemented and varied in order to be able to give full effect to the underlying intention of the parties.
- 1.8 Further, as contemplated in Ruruku Whakatupua, the wording in the Te Awa Tupua legislation necessarily varies in places from the express wording of Ruruku Whakatupua in order to comply with relevant drafting conventions for a government bill.
- 1.9 The Te Awa Tupua (Whanganui River Claims Settlement) Bill has now been finalised for introduction to Parliament.
- 1.10 Ngā Tāngata Tiaki o Whanganui and the Minister for Treaty of Waitangi Negotiations on behalf of the Crown have confirmed their respective agreement to the terms of the Bill.
- 1.11 This supplementary deed, Ruruku Whakatupua - Te Tānekaha, records the further agreements that have been reached between the parties during that process of preparing and finalising the Bill insofar as they modify or vary the terms of Ruruku Whakatupua.
- 1.12 The parties acknowledge that other variations between the Bill and Ruruku Whakatupua that reflect matters of legislation drafting convention only are not recorded in this supplementary deed.

2. RURUKU WHAKATUPUA – TE MANA O TE AWA TUPUA

Amendments to Ruruku Whakatupua – Te Mana o Te Awa Tupua

2.1 This part of the supplementary deed sets out the further agreements that have been reached to those contained in Ruruku Whakatupua – Te Mana o Te Awa Tupua.

TE AWA TUPUA

2.2 Certain issues were identified regarding the legal effect of the status of Te Awa Tupua and Tupua te Kawa on relevant decision-making.

2.3 In this respect, the parties have agreed that:

2.3.1 the obligations under clauses 2.9 to 2.13 of Ruruku Whakatupua - Te Mana o Te Awa Tupua:

- (a) do not remove, or prevent the exercise of, any discretion that a decision maker has in exercising or performing a relevant function, power or duty; but
- (b) permit a decision maker to consider the Te Awa Tupua status and Tupua te Kawa as determining factors when exercising or performing a relevant function, power or duty; and

2.3.2 as a corollary to matters concerning the Public Works Act 1981 addressed in clause 2.7.1 of this supplementary deed, the Public Works Act 1981 will be added to the statutes listed in clause 2.12 of Ruruku Whakatupua - Te Mana o Te Awa Tupua.

TE POU TUPUA

2.4 In relation to the role and responsibilities of Te Pou Tupua under Part 3 of Ruruku Whakatupua - Te Mana o Te Awa Tupua, the parties have agreed that:

2.4.1 the functions of Te Pou Tupua in clause 3.3 of Ruruku Whakatupua - Te Mana o Te Awa Tupua should also include entering into the relationship instruments referred to clause 3.36 to 3.42 of Ruruku Whakatupua - Te Mana o Te Awa Tupua; and

2.4.2 in addition to the relationship agreements provided for in clauses 3.36 to 3.42 of Ruruku Whakatupua - Te Mana o Te Awa Tupua, and as a corollary to the matters concerning the Public Works Act 1981 addressed in clause 2.7.1 of this supplementary deed, the following amendments will be made Ruruku Whakatupua - Te Mana o Te Awa Tupua:

- (a) insert, immediately after clause 3.37:

“3.37A The Chief Executive of Land Information New Zealand will enter into a relationship document with Te Pou Tupua regarding the operation of Part 2 of the Public Works Act 1981.

3.37B The Chief Executive of Land Information New Zealand will commence discussions with Te Pou Tupua for that purpose within 12 months of the commencement date.”

(b) insert, immediately after clause 3.41.3(b):

“(c) public works relating to the Whanganui River; and”

TAX TREATMENT OF TE AWA TUPUA AND TE POU TUPUA

2.5 In relation to the tax treatment of Te Awa Tupua and Te Pou Tupua, the parties have agreed that:

2.5.1 Te Awa Tupua and Te Pou Tupua will be deemed to be the same person for tax purposes and for the purposes of relevant tax legislation;

2.5.2 Te Awa Tupua and Te Pou Tupua to be granted a specific tax exemption for the purposes of the Income Tax Act 2007;

2.5.3 Te Pou Tupua will be a public entity as defined in the Public Audit Act 2001 and the Auditor-General will be its auditor; and

2.5.4 Te Pou Tupua must publish, and provide to Ngā Tāngata Tiaki and the Minister, an annual report which contains the following information for the financial year to which it relates:

(a) a report on the exercise by Te Pou Tupua of its functions and powers and its progress in achieving its purposes; and

(b) financial statements in respect of Te Pou Tupua and Te Awa Tupua (including Te Korotete) prepared in accordance with generally accepted accounting practice; and

(c) a statement of responsibility for the financial statements; and

(d) an audit report:

(i) by the Auditor-General in respect of Te Pou Tupua; and

(ii) by an auditor appointed by Te Pou Tupua in respect of Te Awa Tupua (including Te Korotete).

KIA MATARA RAWA

2.6 Certain issues were identified regarding the effectiveness and clarity of the vesting provisions within Part 6 of Ruruku Whakatupua - Te Mana o Te Awa Tupua.

2.7 In this respect, the parties have agreed on the following matters to ensure that the vesting provisions are workable and will complement provisions within other relevant statutes:

2.7.1 in relation to the application of the Public Works Act 1981 to the land vested in Te Awa Tupua, that:

- (a) there will be a tailored application of the Public Works Act 1981 to the land vested in Te Awa Tupua and, in particular, the limits on alienation will not preclude the taking or acquisition under Part 2 of the Public Works Act 1981 of an interest in land less than a fee simple estate;
- (b) there will be a process of early discussion with, and involvement of, Te Pou Tupua should a matter arise that may lead to a proposal to acquire or take an interest in land less than a fee simple estate under Part 2 of the Public Works Act 1981, involving the Crown or relevant local authority, as the case may be:
 - (i) fully informing Te Pou Tupua of the matter that has arisen; and
 - (ii) engaging with Te Pou Tupua on the development of the proposal, including the nature and terms of any proposed taking or acquisition of an interest in land less than a fee simple estate;
- (c) when land that is part of the bed of the Whanganui River and currently held by the Crown under the Public Works Act 1981 is no longer required:
 - (i) the Chief Executive of Land Information New Zealand must notify Te Pou Tupua and comply with the processes within sections 40 and 41 of the Public Works Act 1981; and
 - (ii) the Public Works Act 1981 disposal process will be halted by an automatic vesting in Te Awa Tupua once the section 40 offer back obligations are discharged.

2.7.2 a process for land transfer or vesting in Te Awa Tupua from others that:

- (a) requires the agreement of Te Pou Tupua and the owner of the land;
- (b) includes fee simple and Maori freehold land, but not customary Maori land; and;
- (c) has a reverse process;

- 2.7.3 obligations on the Registrar-General of Land in respect of cancelling existing titles to land vested in Te Awa Tupua and reconstituting title;
- 2.7.4 processes within the Te Ture Whenua Maori Land Act 1993, including mandatory registration of orders and status change requirements to enable land to be vested;
- 2.7.5 that land that is part of the bed of the Whanganui River and vested in or acquired by Te Awa Tupua will be fully non-rateable land for the purposes of the Local Government (Rating) Act 2002; and
- 2.7.6 certain other technical amendments and additional definitions that vary aspects of the vesting provisions within Part 6 of Ruruku Whakatupua - Te Mana o Te Awa Tupua.

NGĀ RITENGA WHAKAŪ

- 2.9 In this respect, the parties have agreed that clause 8.1 of Ruruku Whakatupua - Te Mana o Te Awa Tupua will be substituted with the following clause:

- (a) cause an incorporated or unincorporated body to be formed or registered under any name, title, style, or designation that includes 'Te Awa Tupua' or any other name, title, style, or designation that so closely resembles 'Te Awa Tupua' as to be likely to confuse or deceive any person that an association with Te Awa Tupua exists; or

- (b) carry on in trade activities under any name, title, style, or designation that includes 'Te Awa Tupua' or any other name, title, style, or designation that so closely resembles 'Te Awa Tupua' as to be likely to confuse or deceive any person that an association with Te Awa Tupua exists; or
- (c) in relation to any commercial goods or services, display, exhibit or otherwise use a name, title, style, or designation that includes 'Te Awa Tupua' or any other name, title, style, or designation that so closely resembles 'Te Awa Tupua' as to be likely to confuse or deceive any person that an association with Te Awa Tupua exists.

- (c) apply to a court for:
 - (i) a declaration that the use of name 'Te Awa Tupua' by the recipient of a notice given under clause 8.1.4(b) is contrary to clause 8.1.2; and
 - (ii) an order that such use must cease.

8.1.5 If Te Pou Tupua considers that the grant of an authorisation adversely affect the mana of Te Awa Tupua, Te Pou Tupua must notify, and obtain and consider the views of Ngā Tāngata Tiaki o Whanganui before making a decision on any request for an authorisation.”
