Application for New Zealand citizenship by grant - Child

Internal Affairs
Te Tari Taiwhenua

GNT003 - CBG Child

Use this form if your child is aged 15 years or under and they want to apply for New Zealand citizenship by grant.

Both parents must give their consent before New Zealand citizenship can be granted to a child.

Check you meet the requirements and learn about how to apply at govt.nz/citizenship.

The easiest way to apply is online.

Before you apply

To be eligible for a grant of citizenship, your child must generally meet the following criteria:

- Your child is entitled to reside indefinitely in New Zealand; AND has been present in New Zealand:
 - for at least 1,350 days with New Zealand residence during the 5 years immediately before you make your child's application; and
 - for at least 240 days with New Zealand residence in each of those 5 years; and
 - fully met any and all conditions imposed by Immigration New Zealand (INZ) in regard to your child's residence status.
- You intend for your child to continue to reside in New Zealand, if granted citizenship.

'New Zealand residence' means your child has a current residence permit, permanent residence visa or residence visa issued by INZ, your child is an Australian citizen or permanent resident, or your child is a New Zealand citizen by descent. If at least one parent is, or is about to become, a New Zealand citizen, your child does not need to meet the 'presence in New Zealand' requirement as long as your child has New Zealand residency.

If your child is aged 14 years or older, they must also generally meet the following criteria:

- Your child is of good character.
- Your child understands the responsibilities and privileges of New Zealand citizenship.
- Your child is able to understand and speak English.

What you need to complete this application

- Your child's original birth certificate.
- Passports of both parents or legal guardians.
- Your child's current passport(s) or most recent if it has expired.
- 2 identical colour passport-style photos of your child that are less than 6 months old. We recommend you have your photos taken by a business that offers a passport photo service. These businesses can ensure your photos meet our requirements. Do not staple, glue or paper-clip photos to this application as this damages the photos.
- A person who can act as a witness for you. They must complete Section 10: Witness section.
- The application fee of \$280.00 per child aged 15 years or under.

We may ask you to send us other documents.

We do not accept photocopies.

Make sure the information you provide is true and correct. If you need more space to answer a question, use another piece of paper. If it is later found that you have provided false or misleading information, your child may be denied or lose New Zealand citizenship. You may also face criminal charges, or both.

Withdrawals and refunds

If your child does not meet the requirements for citizenship, you can withdraw the application and get a partial refund of the application fee. Part of the fee is kept to cover the costs of the initial processing of your child's application.

DIA may share your child's citizenship information once they have been granted citizenship with other government agencies. Full details of DIA's information-sharing practices are available on our website: dia.govt.nz/Legal-Privacy-Index.

Additional information

Section 9: Parents' consent and declarations

Both parents or legal guardian(s) must read, complete and sign this section for the child.

If only 1 parent or legal guardian is consenting, this parent should have sole legal guardianship. This means that only 1 parent has a legal right of control over the child's upbringing. We require a court order that specifically refers to sole legal guardianship. A custody order on its own does not give sole legal guardianship over a child. If you are unsure, contact us.
